

**NORTHERN
MIDLANDS
COUNCIL**

AGENDA

ORDINARY MEETING OF COUNCIL

MONDAY, 24 JUNE 2019

Des Jennings
GENERAL MANAGER

QUALIFIED PERSONS ADVICE

The *Local Government Act 1993* Section 65 provides as follows:

- (1) *A general manager must ensure that any advice, information or recommendation given to the council or a council committee is given by a person who has the qualifications or experience necessary to give such advice, information or recommendation.*
- (2) *A council or council committee is not to decide on any matter which requires the advice of a qualified person without considering such advice unless –*
 - (a) *the general manager certifies, in writing –*
 - (i) *that such advice was obtained; and*
 - (ii) *that the general manager took the advice into account in providing general advice to the council or council committee; and*
 - (b) *a copy of that advice or, if the advice was given orally, a written transcript or summary of that advice is provided to the council or council committee with the general manager's certificate.*

I therefore certify that with respect to all advice, information or recommendation provided to the Council in or with this Agenda:

- i) the advice, information or recommendation is given by a person who has the qualifications or experience necessary to give such advice, information or recommendation; and
- ii) where any advice is directly given by a person who does not have the required qualifications or experience, that person has obtained and taken into account in that person's general advice, the advice from an appropriately qualified or experienced person.

MEETING CONDUCT

- ◆ People attending Council Meetings are expected to behave in an appropriate manner.
- ◆ The following is not acceptable:
 - Offensive or inappropriate behaviour
 - Personal insults
 - Verbal abuse
- ◆ In the case of any inappropriate outburst or derogatory behaviour, an apology from the offending party or parties will be requested. Anyone at the meeting, if they feel offended in any way by any such behaviour specified above, should immediately bring the behaviour to the notice of the Chairperson by the way of a point of order.
- ◆ The Chairperson has the right to evict from a meeting any person who is not behaving to an appropriate standard.

Des Jennings
GENERAL MANAGER

GUIDELINES FOR COUNCIL MEETINGS

PUBLIC QUESTIONS AND STATEMENTS

Public Question Time

Regulation 31 of the *Local Government (Meeting Procedures) Regulations 2015* makes provision for Public Question Time during a Council meeting.

Public question time is to commence immediately after the meal break at approximately 6:45pm and is to be conducted in accordance with the following guidelines:

- ◆ At each Council Meeting up to 20 minutes, or such longer period as Council may determine by resolution at that meeting, is to be provided for persons at the meeting to ask questions.
- ◆ A person seeking to ask a question must firstly identify himself or herself by stating their name and the town they reside in.
- ◆ If more than one person wishes to ask a question, the Mayor is to determine the order in which those questions are asked
- ◆ Questions must be directed to the Mayor who shall answer or direct the question to the appropriate Councillor or Council Officer. A question will be answered if the information is known otherwise taken on notice and responded to in writing within 10 working days. Questions should preferably be in writing and provided to the General Manager 7 days prior to the Council Meeting.
- ◆ A person is entitled to ask no more than 2 questions on any specific subject. If a person has up to two questions on several subjects, the Mayor may defer those questions until other questions have been asked and refer back to that person only if time permits.
- ◆ Each speaker is limited to a maximum of 3 minutes.

Representations on Planning Items

A maximum of 4 persons per item (2 for and 2 against) will be permitted to address Council on a planning item. After the representation has been made, Councillors are permitted to ask questions of the party who made the representation.

Each speaker is limited to a maximum of 3 minutes.

PETITIONS

In relation to the receipt of petitions, the provisions of the *Local Government Act 1993*, Part 6 - Petitions, polls and public meetings, S57 and S58, should be noted.

RECORDING OF COUNCIL MEETINGS

Regulation 33 of the *Local Government (Meeting Procedures) Regulations 2015* provides for the audio recording of Council meetings.

The purpose of recording meetings of Council is to assist Council officers in the preparation of minutes of proceedings.

The provision of recording of Council meetings in this policy:

- ◆ only applies to formal Council meetings (ordinary meetings, special meetings and Annual General meetings);
- ◆ does not apply to closed sessions of Council;
- ◆ does not apply to Committees of Council;
- ◆ The recording will not replace written minutes and a transcript of the recording will not be prepared;
- ◆ The recording may be used by Council staff to assist with the preparation of the minutes and by Council during a subsequent meeting within the period that the recording is retained;
- ◆ The official copy of the recording of a Council meeting is to be retained by Council for at least a period of 6 months from the date of a meeting and deleted after that period has expired.
- ◆ If requested, a recording of a Council meeting to be available to Councillors at no cost within 24 hours of the meeting.
- ◆ Notices advising that
 - the proceedings of the meeting are to be audio recorded; and
 - the detail relating to the recording of meetings by members of the publicare to be on display at each meeting.

A member of the public may only use an audio recorder, or any other recording and/or transmitting device, to record the proceedings of a meeting of Council with the written permission of the General Manager for the express purpose proposed. The Northern Midlands Council reserves the right to revoke such permission at any time.

Unless expressly stated otherwise, Northern Midlands Council claims copyright ownership of the content of recordings of Council meetings ("the Recordings").

The Recordings may not upload, display, print and/or reproduced without the written permission of the General Manager for the express purpose proposed.

The Northern Midlands Council reserves the right to revoke such permission at any time. Apart from uses permitted under the *Copyright Act 1968*, all other rights are reserved.

Any request for authorisation, including authorisation for the use of recordings, should be directed to the General Manager, 13 Smith Street, Longford TAS 7301.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

3 RECOMMENDATIONS OF SUB COMMITTEES

NOTE: *Matters already considered by Council at previous meetings have been incorporated into INFO 10: Officer's Action Items.*

Cressy Local District Committee

At the ordinary meeting of the Cressy Local District Committee held on 29 May 2019 the following motion/s were recorded for Council's consideration:

Community Defibrillator

That the Cressy Local District Committee submit the application for a community defibrillator.

Officers comment:

The Department of Health currently has applications open for communities to apply for a community defibrillator. The Cressy Local District Committee has identified the opportunity for the Cressy community and have prepared an application. Discussion has been had regarding using the existing defibrillator machine at the swimming pool or applying for a new defibrillator to be located in the town with 24 hour access. The preference of the Committee is to have a 24 hour accessible defibrillator located at Bartholomew Park. If the application is successful the defibrillator will be provided free of charge, however, Council will be required to fund the replacement of the pads (\$110 every two years) and battery (\$350 every four years). It is proposed this be funded through the Cressy Hall Committee. The defibrillator machine will be placed on a register with Council's existing units to be serviced as required.

Recommendation:

That Council support the application.

DECISION

Cr

Campbell Town District Forum

At the ordinary meeting of the Campbell Town District Forum held on 4 June 2019 the following motion/s were recorded for Council's consideration:

Draft Shipping Container By-Law

That the council by-law regarding shipping containers be revised to include provision to prevent shipping containers being left on council property.

Officers Comments

Shipping Containers are not permitted to be placed on Council land (for example road verges), without Council approval. Approval is given if the containers are placed for a short period of time only (for example whilst moving into or out of a house). Containers placed without Council approval, or which remain in place for extended periods of time, must be removed by the container owner.

Officer's Recommendation:

That Council note the request.

DECISION

Cr

Ross Local District Committee

At the ordinary meeting of the Ross Local District Committee held on 4 June 2019 the following motion/s were recorded for Council's consideration:

Town Hall Key

RLDC requests NMC to permanently issue a key to the Secretary of the Midlands Film Society to enable access to the Town Hall when required.

Officers Comments

The RLDC has raised a recurring issue with access to the town hall by the Midlands Film Society. The RLDC supports this request.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

Officer's Recommendation:

That Council consider the request.

DECISION

Cr

2021 Bicentenary Celebrations

The Ross Local District Committee request that Council formally write to the State Government and adjoining Councils to seek support and collaboration on the upcoming 2021 bicentenary celebrations.

Officers Comments

The RLDC and the Ross Arts Festival Committee are collaborating together on upcoming 2021 celebrations. It would be more beneficial if the request for support came directly from the residents of Ross.

Officer's Recommendation:

That Council consider this request.

DECISION

Cr

Perth Local District Committee

At the ordinary meeting of the Perth Local District Committee held on 4 June 2019 the following motion/s were recorded for Council's consideration:

South Esk River Parklands/ William Street Reserve

That the first stage of the William Street Reserve River works be considered a priority, i.e. the connection from William to George streets, and included in the 2019/2020 budget.

Officers Comments

Council is yet to receive a report on the consultation process regarding its draft master plan of the William Street River Reserve.

It is expected the matter will be workshopped in coming months with a priority list of works to then also be discussed. This would be followed with a formal report to Council.

Officer's Recommendation:

That the matter of priority staging of the master plan for the Williams Street River Reserve be considered by Council when the master plan is presented, along with future funding opportunities become available in the future.

DECISION

Cr

Perth Bicentenary 2021

That Council

- i) take a leadership role in coordinating the celebrations and provide expertise; and
 - ii) seek support, funding and input to the bicentenary celebrations;
- as the Committee do not believe they have the expertise/resources to coordinate such an event.

Officers Comments

Council does not have the resources to fulfil this request. Longford Local District Committee has established a sub-committee to coordinate the celebration of the 150 year anniversary of the Longford Railway Bridge. The only support Council is providing is minute taking.

Officer's Recommendation:

That the Perth Local District Committee be advised that Council does not have the resources of an events coordinator, but would provide secretarial support only.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

DECISION

Cr

Train Park

That Council note the support of the Perth Local District Committee to the Lions Club request that the Lions shelter be relocated to the Train Park.

Officers Comments

That Council officers assess the appropriateness of the relocation of the shelter to the Train Park and report back to Council.

Officer's Recommendation:

That Council officers assess the appropriateness of the relocation of the shelter to the Train Park and report back to Council.

DECISION

Cr

Concerns Relating to Upgrade Works On State Roads: Evandale Main Road & Woolmers Lane /Midland Highway Intersection

That Council request the Department of State Growth to review the safety of the location of the 80km speed sign placed on the Midland Highway at the northern entrance to Perth.

Officers Comments

That the request be directed to the Department of State Growth.

Officer's Recommendation:

That the request be directed to the Department of State Growth.

DECISION

Cr

Evandale Advisory Committee

At the ordinary meeting of the Evandale Advisory Committee held on 4 June 2019 the following motion/s were recorded for Council's consideration:

Installation of Colonial Light – High Street

That Council not install the colonial light as planned, and install the additional light on Russell Street, between the last colonial light already in place and the Harry Murray statue.

Officers Comments

That the request be investigated.

Officer's Recommendation:

That the request be investigated.

DECISION

Cr

Longford Local District Committee

At the ordinary meeting of the Longford Local District Committee held on 5 June 2019 the following motion was recorded for Council's consideration:

Longford Local District Committee MOU

The Longford Local District Committee MOU be amended as follows:

4. Membership

Members of the Committee will be deemed to vacate their position if they are absent without leave from three (3) consecutive meetings of the Committee where there has been no apology or request for leave submitted to the Longford Local District Committee Secretary. Where there is a likely breach the Secretary is to provide a warning in writing to the offending Member prior to advising the Member of their removal from the Committee.

**NORTHERN MIDLANDS COUNCIL
AGENDA – ORDINARY MEETING
24 JUNE 2019**

Officers Comments

The LLDC has previously requested that the termination of members is overturned.

Officer's Recommendation:

Officers are conducting a review of the Memorandum of Understanding with a report to be presented to the July Council meeting.

Investigations/Inspections	2015/2016	2016/17	2017/18	2018/19
Notifiable Diseases	5	4	4	5
Inspection of Food Premises	154	75	77	127

Notifiable Disease investigations are carried out by Council's Environmental Health Officer at the request of the Department of Health. Investigations typically relate to cases of food borne illness. While some investigations are inconclusive others can be linked to other cases and outbreaks within Tasmania and across Australia. Under the *Public Health Act 1997*, investigations are confidential.

Food premises are due for inspection from 1 July each year. The number of inspections in the table above is the total number carried out since 1 July in each financial year.

Inspections are conducted according to a risk based assessment and cover all aspects of food storage, handling and preparation. A total of 35 criteria are assessed for either compliance, non-compliance or serious non-compliance. Actions, including follow-up inspections, are taken according to the outcome of inspections.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

Cressy District High School Drop-In Zone Project

Funding of \$800 has been forwarded to the school for the set-up of the program and once a term YMCA activities. The Drop-In Zone will commence on 14th June and be held every Friday during lunchtime. Students who attend the Drop-In Zone will have access to the school Social Worker, Health Nurse and Chaplain. There will also be service providers who will attend the Zone to provide information, activities and support.

Avoca Primary School

Billie-Jo is working with the Avoca Primary School to support in the school closure and the transition of students to Campbell Town. Billie-Jo will work with the School Committee to organise an end of year event. The Fingal Valley Neighbourhood House has also offered to support the event. Billie-Jo is liaising with YMCA and University of Tasmania who have committed to delivering activities for students to be involved in during terms 3 and 4 which will be attended by peer students from Campbell Town.

YMCA

Billie-Jo is in discussion with YMCA Launceston who are interested in facilitating programs in schools throughout the municipality. There will be a need to identify sources of funding to enable YMCA to provide regular programs in the region.

Northern Midlands Youth Camp

Billie-Jo has submitted an application for a Heywire Youth Innovation Grant for a Northern Midlands Youth Camp. The camp will target young people who are at risk of mental health issues across the municipality. The schools have identified a number of young people who will benefit from attendance to the camp and have provided letters of support for the grant. The camp will involve YMCA activities, Taiko drumming and mental health preventative activities such as mindfulness, stress and coping, resilience and provide young people with information and tools to seek support into the future.

Youth Mental Health Project

Billie-Jo is continuing to liaise with mental health service providers to determine their capacity to service youth in the region. There is potential for services to provide from the Longford Community Health Centre and the Campbell Town Health Service, however, there appears to be barriers to city-based services providing outreach in these areas. Billie-Jo is meeting with a key group of service providers in Campbell Town to determine the youth mental health needs and improve the service delivery.

Discussions are also being held regarding preventative and early intervention initiatives for youth mental health across the municipality.

Mental Health Expo – Longford

Billie-Jo is part of the planning committee for this event proposed for Thursday 26th September 2019.

Meetings

Billie-Jo represents Council on the Northern Youth Consultative Committee and the Northern Midlands Interagency Group.

17 ANONYMOUS REPRESENTATIONS TO A DEVELOPMENT APPLICATION

Report prepared by: Amanda Bond, Community & Development Manager

A query was raised at the 20 May 2019 Council meeting regarding acceptance of anonymous representations to a discretionary development application.

Section 57(5) of the *Land Use Planning & Approvals Act 1993* says that:

Any person may make representations relating to the application during the period of 14 days commencing on the date on which notice of the application is given under subsection (3) or such further period not exceeding 14 days as the planning authority may allow.

Officers have investigated the validity of anonymous representations and sought the opinion of colleagues from a neighbouring Council regarding the issue. The view has been formed that as the person making the representation cannot be identified from an anonymous representation, the representation does not meet the requirements of section 57(5) and therefore should not be considered by Council.

Council officers will no longer consider anonymous representations when assessing a discretionary development application.

18 SEASONAL WORKER ACCOMMODATION

Report prepared by: Amanda Bond, Community & Development Manager

The Northern Midlands is home to a number of successful farming enterprises who rely on seasonal workers.

It has been identified that during peak harvesting season there is a shortage of available accommodation, particularly accommodation for transient workers, such as backpackers.

Council officers have met with some local producers to discuss their accommodation demands into the future. Advice received is that expansion in this area will continue, and therefore demand for accommodation will continue to increase.

Council officers have also contacted some accommodation providers to discuss their plans for expansion and to flag with them at an early stage, planning and building approvals which may be required. Operators have positively responded to this proactive approach.

Staff will continue to work with both producers and accommodation providers as required.

MOTIONS FOR WHICH NOTICE HAS BEEN RECEIVED

10 ROADS AND INFRASTRUCTURE

10.1 Reinstatement of Heavy Vehicle Road Tax

Council – Circular Head

Decision Sought

That Member Councils of LGAT recommend that the State Government provides an immediate commitment to reinstatement of the equitable distribution of the total heavy motor vehicle road tax collected, to the percentage distribution at the time of inception of the scheme in 1996/1997.

10.2 Compensation for No Indexation of Heavy Vehicle Road Tax

Council – Circular Head

Decision Sought

Member Councils of LGAT recommend that the State Government make to all Local Councils a one off additional annual payment allocation of the heavy motor vehicle road tax distribution as compensation for 24 years of no indexation of the funding allocation.

11 SECTOR PROFILE AND REFORM

11.1 Amend Meeting Procedures

Council – Break O'Day

Decision Sought

That LGAT lobby the State Government requesting changes be made to Part 3, Sections 27 and 28 – Voting as well as

NORTHERN MIDLANDS COUNCIL

AGENDA – ORDINARY MEETING

24 JUNE 2019

the inclusion of reasons to be listed in Section 32 – Minutes of the Local Government (Meeting Procedures) Regulations 2015 with regard to elected members voting against an “Officer’s Recommendation” or “Motion”.

12 SECTOR CAPACITY

No Motions Received

13 FINANCIAL SUSTAINABILITY

No Motions Received

14 ENVIRONMENTAL MANAGEMENT

14.1 Climate Change

Council – Devonport City

Decision Sought

That the Local Government Association of Tasmania investigate opportunities for the sector to develop a position on climate change including acknowledging:

- There is a climate emergency that requires action by all levels of the government;
- Human induced climate change is at the forefront of the climate emergency; and
- The State Government has a particular role in assisting local governments in dealing with the impacts of climate change.

14.2 Climate Change

Council – Huon Valley

Decision Sought

That the LGAT call upon the Federal and Tasmanian State Governments and Parliaments urging them to:

- a) Acknowledge the urgency created by climate change that requires immediate and collaborative action across all tiers of government;
- b) Acknowledge that the world climate crisis is an issue of social and environmental injustice and, to a great extent, the burden of the frontline impacts of climate change fall on low income communities vulnerable groups and future generations; and
- c) Facilitate emergency action to address the climate crisis, reduce greenhouse gas emissions and meet or exceed targets in the Paris Agreement.

14.3 Single Use Plastics/Waste Strategy

Council – Huon Valley

Decision Sought

That the Local Government Association of Tasmania lobbies the State Government to complete a state-wide Waste Strategy that includes Policy and Legislation that will phase out single use plastics across the State and support the establishment of regional composting facilities.

14.4 Single Use Plastics

Council – Break O’Day

Decision Sought

Request that LGAT lobby the State Government to take leadership in developing a consistent state wide approach to banning the use of single use plastics in takeaway food packaging.

14.5 State Weed Management

Council – Break O’Day

Decision Sought

That LGAT lobby the heads of the Tasmanian Government’s Departments and GBEs with responsibilities for management of public lands or works on public lands to have new increased and sustained resourcing levels committed in government agency budgets to manage weeds on public land in coordination with the efforts of others in local areas.

14.6 Waste Management Storage & Collection

Council – West Tamar

NORTHERN MIDLANDS COUNCIL

AGENDA – ORDINARY MEETING

24 JUNE 2019

Decision Sought

That Local Government Association of Tasmania lobby the Tasmanian Government for:
Reform of multiple dwelling standards in the Tasmanian Planning Scheme to require consideration of:

- Waste management storage and collection impacts for multiple dwelling developments; and
- Allowing for alternative waste storage and collection means such as site skip bins.

14.7 Feral Cats *

Council – Burnie City

Decision Sought

That LGAT calls on the State Government as matter of urgency to set up, resource, and authorise a program within the relevant State agency of a kind equivalent to the former Fox Eradication Taskforce with a specific purpose of taking and coordinating immediate and continuing long-term direct action to control and reduce the population of stray and feral cats in all parts of Tasmania.

15 PLANNING AND DEVELOPMENT

15.1 Certificate 337's

Council - West Tamar

Decision Sought

That the Local Government Association of Tasmania lobby the Tasmanian Government for:

1. Urgent review of the 337 certificate form under Schedule 5 of the Local Government (General) Regulations 2015 to address the following omissions from current regulatory regimes that impact the subject lands:
 - a) Land Use Planning and Approvals Act 1993
Codes (such as landslip);
Specific Area Plans;
Local provisions;
Applications for a new planning scheme - including the Tasmanian Planning Scheme;
or
Applications for amendments to local provisions under the Tasmanian Planning Scheme.
 - b) Building Act 2016
Submitted form 80's for low risk building work;
Whether any natural hazard considerations affect the lands;
Question 31 (a) add a new section (iii) asking about onsite waste waters systems approved prior to the Plumbing Regulations 1994
Questions 38-40 be revised to ask whether notifiable building work has been completed and then to provide details regardless of the answer; and
2. Revisions to the Property Agents and Land Transactions Act 2016 to consider:
 - a) Requiring a 337 certificate prior to listing of a property and making it available as part of the sale process; and
 - b) Seeking full disclosure for properties as part of the listing process rather than the current process.

15.2 Increased Penalties for Unlawful Use and Development.

Council – Hobart City

Decision Sought

That LGAT lobby the State Government to amend the Land Use Planning and Approvals Act 1993 to increase penalties and introduce alternative sentencing options for unlawful use and development consistent with the provisions in the Environmental Planning and Assessment Act 1979 introduced by the NSW State Government in 2014/2015 by the Environmental Planning and Assessment Amendment Act 2014.

16 PUBLIC POLICY GENERAL

16.1 Smoke Free Areas

Council – City of Hobart

Decision Sought

That the LGAT lobby the State Government to increase the smoking distance from doorways from 3 metres to 5 metres in support of local businesses.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

16.2 **Gun Control Laws**

Council – Kingborough

Decision Sought

That LGAT lobby the State Government to ensure any amendments to the Tasmanian Firearms Act 1996 and associated regulations further align Tasmanian law with the National Firearms Agreement.

GOV 8 PARKLET: WELLINGTON STREET, LONGFORD

Attachments: Section 1 – Page 327

Responsible Officer: Des Jennings, General Manager

Report prepared by: Des Jennings, General Manager

1 PURPOSE OF REPORT

This report has been requested by Councillor Matthew Brooks. Cr Brooks is seeking the relocation of the parklet adjacent to the Library in Wellington Street, Longford.

2 INTRODUCTION/BACKGROUND

In June 2015, Mr Bill Fox prepared the Longford Visitor Appeal Study for the Northern Midlands Council. It was identified in the study that Longford's streetscapes lacked vibrancy. As a result, Council officers investigated the implementation of parklets within the municipality.

A parklet is a pod that is placed in the road reserve, taking up one or two parking spaces, where patrons can sit. A parklet is ideally suited to be located outside a café or other public building. A parklet is a public open space, and any patron can use the space, not just patrons of the business outside which it is situated.

The Northern Midlands Council submitted a development application for the placement of a parklet in the road reservation on Wellington Street, Longford, adjacent to the library building.

A report was presented to Council on 26 June 2017, Minute Reference 191/17, at which time Council, acting as Planning Authority approved the development. A copy of the report is attached to this report.

The following entities made comment about the development:

- TasWater
- Northern Midlands Council Heritage Adviser
- Department of State Growth

Three representations to the application were received. 14 issues were raised in the representations and these were considered by the planner in the preparation of the report to Council. A copy of the report is attached to this report.

A permit was issued on 26 June 2017 – P17-030. The decision of the Planning Authority to issue the permit was not appealed.

As part of the planning process design plans were submitted to the Department of State Growth. On the 10th of February 2017 they advised that they had no objections to the project, provided certain conditions were met, including a minimum distance of 3.7m from the face of the bollards to the road centreline. These conditions were incorporated in the planning permit.

4 POLICY IMPLICATIONS

The parklet project arose from findings from the Longford Visitor Appeal Study and Longford Urban Design Strategy.

5 STATUTORY REQUIREMENTS

Local Government (Meeting Procedures) Regulations 2015

18. Motion to overturn decision

- (1) *For the purposes of this regulation, a decision may be overturned, wholly or partly, by –*
 - (a) *a motion directly rescinding or otherwise overturning the decision or part of the decision; or*
 - (b) *a motion that conflicts with, or is contrary to, the decision or part of the decision.*
- (2) *A council or council committee may only overturn a decision passed at a previous meeting held since the last ordinary election –*
 - (a) *by an absolute majority, in the case of a council; or*
 - (b) *by a simple majority, in the case of a council committee.*
- (3) *Any report given by the general manager to a council in respect of a proposed motion to overturn a decision of the council, or that will result in the overturning of a decision of the council, wholly or partly, is to include –*
 - (a) *a statement that the proposed motion, if resolved in the affirmative, would overturn that previous decision or part of that previous decision; and*
 - (b) *the details of that previous decision, or the part of that previous decision, that would be overturned; and*
 - (c) *advice as to whether or not that previous decision, or that part of that previous decision, directed that certain action be taken; and*
 - (d) *if that previous decision, or that part of that previous decision, directed that certain action be taken, advice as to whether or not that action has been wholly or substantially carried out.*

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

6 FINANCIAL IMPLICATIONS

To date Council has spent approximately \$135,000 toward the design, approval and building of two parklets, located in Longford and Cressy.

The approximate cost to relocate a parklet would be:

Development application	\$ 700
Bollards	\$ 27,500
Installation	\$ 3,000
TOTAL	\$ 31,200

Council has engaged Clarke & Gee Lawyers to prepare licence agreements between Council and the parklet licensee (Library Tasmania). It is estimated the cost for preparation of the licence will be between \$600 - \$1,000.

7 RISK ISSUES

There are a number of risks identified with relocating the parklet from Wellington Street, Longford.

- a) During the planning phase discussion was had with the operators of the Library about locating a parklet outside the Longford library. The suggestion was supported and encouraged by the Library operators. There is now an expectation from the Library operators that the parklet will be progressed. There is a risk of failing to meet expectations if the decision is made to relocate the parklet.
- b) Development approval has been sought and gained for the placement of the parklet. Council can be perceived as making ad hoc applications that it does not intend to follow through, if it reverses its decision during the final stages of a project.
- c) There is a risk Council will be perceived as wasting money if it reverses its decision on a project during the final stages, after a considerable amount of funds have been spent to bring the project to fruition.

8 CONSULTATION WITH STATE GOVERNMENT

The parklet is located in the road reserve at 55 Wellington Street, Longford. The Department of State Growth own this section of road. The Department of State Growth had to provide their approval to the design of the parklet. The Department of State Growth had to be satisfied the parklet would be safe and meet the relevant standards for the section of road in question.

9 COMMUNITY CONSULTATION

The community were consulted during the following phases:

- a) During the Bill Fox, Longford Visitor Appeal Study which concluded the streetscapes lacked vibrancy.
- b) During the development of the Longford Urban Design Strategy.
- c) During the discretionary development application process.

10 OPTIONS FOR COUNCIL TO CONSIDER

To relocate the proposed parklet located in the road reserve at 55 Wellington Street, Longford, or not.

If Council decides to relocate the parklet it does not need to overturn the decision of the Planning Authority issuing the permit for the parklet.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

11 OFFICER'S COMMENTS/CONCLUSION

Community consultation on the parklet has occurred through the Longford Visitor Appeal Study, Longford Urban Design Strategy and through the discretionary development application process. The project is in the final stage of completion. The parklet is not a permanent feature. There is opportunity to remove the parklet, and the bollards in future, if, for whatever reason the development is not a success.

12 ATTACHMENTS

12.1 Northern Midlands Council Meeting 26 June 2017 Minute Reference 191/17.

RECOMMENDATION

That Council agree to retain the parklet adjacent to the library at 55 Wellington Street, Longford.

GOV 9 FUTURE OF BISHOPSBOURNE CHURCH AND CEMETERY

Attachments: Section 1 – Page 346

Responsible Officer: Des Jennings, General Manager

Report prepared by: Des Jennings, General Manager

1 PURPOSE OF REPORT

The purpose of this report is to consider a request from the Bishopsbourne Progress Association Sub-Committee to accept ownership of the Church and Cemetery site.

2 INTRODUCTION/BACKGROUND

Council has formally been approached by the Bishopsbourne Progress Association Sub-Committee seeking Council's in-principle support to accept ownership of the Bishopsbourne Church and Cemetery site.

The sub-committee has indicated that they would raise the funds to purchase and maintain the site, but has requested Council's support by accepting ownership of the site.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

4 POLICY IMPLICATIONS

Council would be accepting the ultimate responsibility for the property if it is transferred to Council's ownership.

These responsibilities have attached to them cost, including: insurance, maintenance and capital costs associated with meeting regulatory requirements, for example public safety.

5 STATUTORY REQUIREMENTS

The church and cemetery have existing use rights and are zoned Community Purpose.

6 FINANCIAL IMPLICATIONS

Possible future costs have not been determined at this time.

7 RISK ISSUES

The identified risks may include:

- The property is another asset that will need to be maintained and improved depending on its future use.
- The sub-committee have indicated that they would raise funds to purchase and maintain. If the sub-committee did not maintain in the future the responsibility for the asset would fall to Council.
- Council may create a precedent by accepting ownership of the property and other communities may also seek similar support.

8 CONSULTATION WITH STATE GOVERNMENT

N/a.

9 COMMUNITY CONSULTATION

N/a.

10 OPTIONS FOR COUNCIL TO CONSIDER

Council may either take no further action or indicate its in-principle support to accept ownership of the Bishopsbourne Church and Cemetery site.

11 OFFICER'S COMMENTS/CONCLUSION

The sub-committee has requested Council accept ownership of the Bishopsbourne Church and Cemetery at no cost to Council.

Council will need to ensure that the sub-committee meets all on-going costs and that a formal lease be prepared between Council and the Group with that express condition.

12 ATTACHMENTS

12.1 Letter of request

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

RECOMMENDATION

That Council advises the Bishopsbourne Progress Association Sub-Committee that it provides in-principle support to accept the ownership of the Bishopsbourne Church and Cemetery with the condition that it is at no cost to Council along with no associated recurrent expenses.

4 STATUTORY REQUIREMENTS

4.1 *Land Use Planning & Approvals Act 1993*

The planning process is regulated by the *Land Use Planning & Approvals Act 1993*, section 43 of which requires Council to observe and enforce the observance of its planning scheme.

4.2 *Building Act 2016*

The *Building Act 2016* requires Council to enforce compliance with the Act.

5 RISK ISSUES

Overall Council currently has a good reputation throughout the development community and people are aware of the need for planning and building approvals. Council can continue to advertise and promote building and planning requirements to ensure the community is acting in accordance with these requirements, to avoid the risk of development without approval.

From time to time historic issues arise where a developer or previous property owner may not have completed works in accordance with plans or approvals. In these circumstances, Council is usually the first contact point for current

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

property owners who have encountered an issue. To ensure protection it is important Council maintain accurate and up to date records on all planning and building files.

6 COMMUNITY CONSULTATION

Discretionary applications are placed on public notification in accordance with Section 57 of the *Land Use Planning & Approvals Act 1993*.

7 OFFICER'S COMMENTS/CONCLUSION

The *Land Use Planning and Approvals Act 1993* allows 42 days for the processing of discretionary planning applications and 28 days for permitted applications. Council's planning software Open Office should automatically track the timelines of the applications, however, this is not currently working correctly. Council officers are awaiting a solution from the Open Office technical staff. Officers continue to manually ensure that statutory timeframes are not exceeded.

There were 16 commercial building approvals valued at \$44,172,414 (year to date) for 2018/2019, compared to 6 commercial building approvals valued at \$1,222,500 (year to date) for 2017/2018.

In total, there were 206 building approvals valued at \$71,241,442 (year to date) for 2018/2019, compared to 138 building approvals valued at \$24,083,620 (year to date) for 2017/2018.

RECOMMENDATION

That the report be noted.

C&D 2 RECREATIONAL VEHICLE DUMP POINT: CRESSY

Responsible Officer: Amanda Bond, Community & Development Manager

Report prepared by: Amanda Bond, Community & Development Manager

1 PURPOSE OF REPORT

The purpose of this report is for Council to endorse the installation of a Recreational Vehicle Dump Point at Cressy.

2 INTRODUCTION/BACKGROUND

The Cressy Local District Committee has for some time been pursuing the installation of a dump point for recreational vehicles in Cressy. The Committee aim for Cressy to become a RV Friendly town. The essential criteria to achieve RV Friendly status are:

- Provision of appropriate parking within the town centre, with access to a general shopping area for groceries and fresh produce
- Provision of short term, low cost overnight parking (24/48 hours) for self-contained recreational vehicles, as close as possible to the CBD.
- Access to potable water.
- Access to a free dump point at an appropriate location.

Consideration has been given to locating a dump point at the Cressy Recreation Ground. The hesitation with this is due to the proximity of the existing sewer to neighbouring houses.

Council officers have investigated alternative options and propose the below area located on the corner of Archer and William Streets, Cressy. The location is next to existing TasWater infrastructure and provides ample space for recreational vehicles to pull over. TasWater have indicated preliminary support to the proposed location, however, a formal application will need to be made.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

3 STRATEGIC PLAN 2017-2027

The Strategic Plan 2017-2027 provides the guidelines within which Council operates.

- Progress –
 - Economic Development – Supporting Growth & Changes
 - ♦ Towns are enviable places to visit, live & work
 - Tourism Marketing & Communication
 - ♦ Tourism thrives under a recognised regional brand
 - ♦ Tourism partnerships build sense of place identity
- Place –
 - Environment – Cherish & Sustain our Landscapes
Core Strategies:
 - ♦ Cherish & sustain our landscapes
 - ♦ Meet environmental challenges
 - ♦ Eco-tourism strongly showcases our natural beauties
 - History – Preserve & Protect our Built Heritage for Tomorrow
Core Strategies:
 - ♦ Our heritage villages and towns are high value assets

4 POLICY IMPLICATIONS

Council provides free dump points for recreational vehicles at Evandale and Campbell Town. There are dump points located at the Longford and Ross Caravan Parks.

5 STATUTORY REQUIREMENTS

5.1 Land Use Planning & Approvals Act 1993

Discretionary planning approval will be required in accordance with section 57 of the *Land Use Planning & Approvals Act 1993*.

6 FINANCIAL IMPLICATIONS

The discharge drain from the dump point can be connected to a standard DN100 sewer connection near to the dump point at a cost of \$1,556.70. A new ID 20mm high hazard/above ground water connection in a lockable vandal proof cage will be required to be installed by TasWater in a suitable location from a suitable sized water main. The cost of the cage is unknown at the time of writing this report.

The Campervan and Motorhome Club of Australia provide guidelines for Optimal Dump Point Installation. It is estimated the cost of the dump point would be \$35,000 if installed closely (but not strictly) in accordance with these guidelines. Cost savings have been incorporated into this estimate, for example, the use of asphalt instead of concrete. It is understood the guidelines are a preferred installation method only and not mandatory.

The TasWater website indicates the annual service fee for Recreational Vehicle dump points is \$658.16 which Council would be required to pay.

Council has included in the draft Capital Works 2019/20 an allocation of \$30,000 for the Cressy Dump Point Installation.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

7 RISK ISSUES

Due to the secluded location of the proposed dump point, it may be vandalised. Council staff will need to ensure the site is checked on a regular basis.

There is a risk that recreational vehicle users will not be able to find the dump point as it is off the main street. Council will need to ensure appropriate and adequate signage to the site.

8 CONSULTATION WITH STATE GOVERNMENT

Not applicable.

9 COMMUNITY CONSULTATION

This request has been driven through the Cressy Local District Committee. Consultation will need to occur with the neighbouring residences.

10 OPTIONS FOR COUNCIL TO CONSIDER

To support the proposed dump point or not.

11 OFFICER'S COMMENTS/CONCLUSION

The Cressy Local District Committee have been pursuing the installation of a recreation vehicle dump point in Cressy for a number of years. Officers are confident this is the most suitable location for a dump point in the town.

RECOMMENDATION

That Council endorse the location of the corner of William and Archer Streets, Cressy for a Recreational Vehicle Dump Point and officer progress the application with TasWater.

C&D 3 DRAFT BY-LAW: PLACEMENT OF SHIPPING CONTAINERS BY-LAW

Attachments: Section 1 – Page 348

Responsible Officer: Amanda Bond, Community & Development Manager
Report prepared by: Amanda Bond, Community & Development Manager
Paul Godier, Senior Planner

1 PURPOSE OF REPORT

The purpose of this report is for Council to decide to proceed with the proposed Placement of Shipping Container By-Law.

2 INTRODUCTION/BACKGROUND

Action to date

This matter was first brought to Council on 27 June 2016 – Minute Reference: 172/16.

The issue identified by the community was the placement of shipping containers in prominent locations, particularly in heritage towns and villages, with little or no effort to reduce their visual impact.

Presently, Council can regulate the placement of shipping containers through the *Northern Midlands Interim Planning Scheme 2013* ('the Planning Scheme').

Shipping containers need to comply with the zone and code provisions of the Planning Scheme. The *Land Use Planning & Approvals Act 1993* contains enforcement provisions that can be used to have unapproved shipping containers removed.

There are some scenarios whereby the placement of a shipping container may be exempt, for example:

- In the General Residential zone, outside a heritage precinct, where the container is more than 4.5m from the front boundary.
- Rural Resource land where the container is used in conjunction with farming and is at least 30m from boundaries.

It was decided at the 27 June 2016 Council meeting that Council officers prepare a draft by-law for Council consideration.

The matter was brought back to Council with a draft by-law presented on 15 August 2016 – Minute Reference 229/16. At that meeting Council decided to undertake initial consultation with key stakeholders regarding the by-law and bring a report back to a future meeting.

In April 2017 Council again considered the matter, Minute Reference 126/17 and deferred the matter in order to seek clarification on the following items:

- when a property is sold, whether the purchaser would be required to apply for a permit on any existing container on the property; and
- clarification of the meaning of wholly contained within a building.

A report was presented to Council on 21 August 2017, Minute Reference 253/17 answering these questions. A copy of the report is attached.

The issue Council wishes to solve

The primary concern of Council is the placement of shipping containers on residential blocks, that are having a negative impact on the streetscape, views and historic feel of these towns.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

The application of a by-law

The draft Placement of Shipping Containers By-law has been drafted to apply to shipping containers which are not “development”. The difficulty is distinguishing when a shipping container is or is not development.

The *Northern Midlands Interim Planning Scheme 2013* regulates use and development. ‘Development’ includes the placing or relocation of a building or works on land, ‘building’ includes a structure and part of a building or structure. It is the view of officers that a shipping container is a building, and therefore, meets the definition of development in the Planning Scheme in all instances.

A by-law does not act retrospectively, therefore a by-law will only be applicable to any containers placed **after** the by-law comes into effect.

Other regulation regarding shipping containers

Council introduced a Shipping Container Policy in April 2018 for containers associated with development works which stipulates a timeframe of 3 months prior to development commencing for shipping containers to be placed on land, as well as for the location to be unobtrusive.

3 STRATEGIC PLAN 2017-2027

The Strategic Plan 2017-2027 provides the guidelines within which Council operates.

 - ♦ Council nurtures and respects historical culture
 - ♦ Developments enhance existing cultural amenity
 - ♦ Public assets meet future lifestyle challenges
- Place –
 - Environment – Cherish & Sustain our LandscapesCore Strategies:
 - ♦ Cherish & sustain our landscapes

4 POLICY IMPLICATIONS

It is arguable that a shipping container meets the definition of ‘development’ in the *Northern Midlands Interim Planning Scheme 2013*. The adoption of a by-law which conflicts with the Planning Scheme is in breach of section 150 of the *Local Government Act 1993*.

Council has in place a Placement of Shipping Containers Policy to address the placement of shipping containers on land where development is occurring or about to occur.

5 STATUTORY REQUIREMENTS

The making of by-laws is allowed for under Division 1 of the *Local Government Act 1993*.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

6 FINANCIAL IMPLICATIONS

Council will need to present a draft by-law to the Director of Local Government. The by-law would then need to be advertised and implemented. The significant cost to Council would be the enforcement of the by-law once it is in place. Council has two officers who conduct compliance in addition to their roles as Permit Authority and Animal Control Officer. Council may need to consider additional staff to enforce the by-law.

7 RISK ISSUES

There is a risk Council is creating a by-law in contravention of existing regulation. The ability to make this by-law comes down to the definition of whether or not a shipping container is 'development'. If Council were to proceed with the Placement of Shipping Container By-law, there is a risk Council would be found to have made a by-law which conflicts with the planning scheme, and thus in breach of section 150 of the *Local Government Act 1993*.

There is a risk the draft by-law may not cover all scenarios for the placement of shipping containers. Therefore, by adopting a Placement of Shipping Containers By-law, Council may be creating scenarios where are unenforceable.

8 CONSULTATION WITH STATE GOVERNMENT

Consultation with the Director of Local Government would need to occur through the by-law making process.

9 COMMUNITY CONSULTATION

Council has consulted with its local district committees who generally support the by-law.

Once the Director of Local Government has considered the by-law and approved the supporting Regulatory Impact Statement, Council must give notice of the proposed by-law and carry out public consultation. Notice of the proposed by-law is to be advertised in print media.

10 OPTIONS FOR COUNCIL TO CONSIDER

To proceed with the Placement of Shipping Containers By-law, or not.

11 OFFICER'S COMMENTS/CONCLUSION

The issue which led to the draft Placement of Shipping Container By-law was the placement of shipping containers on residential blocks, within townships of the Northern Midlands, that are having a negative impact on the streetscape, views and historic feel of these towns.

At present, Council regulates the placement of shipping containers through the *Northern Midlands Interim Planning Scheme 2013*, as a shipping container is considered development in accordance with the Planning Scheme.

If Council adopts the draft Placement of Shipping Containers By-law, it would then regulate the placement of shipping containers through both the by-law and the Planning Scheme. Council would need to distinguish when a shipping container does not qualify as "development" under the Planning Scheme, for the by-law to come into effect.

It is arguable that all shipping containers are development in accordance with the definition in the Planning Scheme, and therefore the creation of the by-law would occur which conflicts with the Planning Scheme and in breach of section 150 of the *Local Government Act 1993*.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

It is the firm recommendation of officers that Council does not proceed with the draft Placement of Shipping Containers By-law and continues to regulate shipping containers through the provisions of the *Northern Midlands Interim Planning Scheme 2013*.

12 ATTACHMENTS

- 12.1 Council Report – Minute Reference 253/17.

RECOMMENDATION

That Council does not proceed with the development of a Placement of Shipping Containers By-law.

C&D 4 FEE SCHEDULE AMENDMENT

Attachments: Section 1 – Page 360

Responsible Officer: Amanda Bond, Community & Development Manager
Report prepared by: Amanda Bond, Community & Development Manager

1 PURPOSE OF REPORT

The purpose of this report is for Council to endorse an update to its building and planning fee schedule, commencing 1 July 2019.

2 INTRODUCTION/BACKGROUND

This report was requested by Councillors following a workshop discussion about the 2019-20 municipal budget. In particular, Councillors raised concern that a fee is not set for applications to request amendment to the Northern Regional Land Use Strategy.

This report presents an amended fee schedule for Council approval.

The amended fee schedule includes five changes to the existing fee schedule. These are:

- 1) Introduction of a fee for the request to amend the Northern Regional Land Use Strategy:
 - a) Minor amendment - \$500
 - b) Major amendment - \$2,500
- 2) Increase of the advertising fee for Planning Scheme Amendment to: 3 x \$450 (currently at 3 x \$350)
- 3) Remove e-info request for information fee of \$26 (this is covered under file request fee of \$65)
- 4) Plumbing permit extension / Certificate of Likely Compliance: \$140 (this is a new fee)
- 5) Class 1a (Additional charge per unit for multi-unit developments): \$85 (currently at \$37 which falls short of covering cost of work involved)

Attached to this report is the amended fee schedule. Please note the attached schedule does not include a Consumer Price Index increase to the existing fees which will be implemented on 1 July 2019.

5 STATUTORY REQUIREMENTS

Local Government Act 1993

205. Fees and charges

- (1) In addition to any other power to impose fees and charges but subject to subsection (2), a council may impose fees and charges in respect of any one or all of the following matters:
 - (a) the use of any property or facility owned, controlled, managed or maintained by the council;
 - (b) services supplied at a person's request;

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

- (c) carrying out work at a person's request;
 - (d) providing information or materials, or providing copies of, or extracts from, records of the council;
 - (e) any application to the council;
 - (f) any licence, permit, registration or authorization granted by the council;
 - (g) any other prescribed matter.
- (2) A council may not impose a fee or charge in respect of a matter if –
- (a) a fee or charge is prescribed in respect of that matter; or
 - (b) this or any other Act provides that a fee or charge is not payable in respect of that matter.
- (3) Any fee or charge under subsection (1) need not be fixed by reference to the cost to the council.

6 FINANCIAL IMPLICATIONS

Council charges fees to cover the administrative and professional cost of processing and assessing building and planning applications.

Council's fee schedule should not be prohibitive to deter development in the municipality, however, it should be reasonable, to meet the cost to Council for providing its services.

7 RISK ISSUES

If Council does not charge reasonable fees, it is at risk of providing a service for free, or not at a competitive rate.

If Council charges too much for its fees, it is at risk of deterring development in the municipality.

Council officers have taken into consideration the time and cost to Council when setting the suggested fee amounts.

8 CONSULTATION WITH STATE GOVERNMENT

Not applicable.

9 COMMUNITY CONSULTATION

No community consultation has occurred.

10 OPTIONS FOR COUNCIL TO CONSIDER

To adopt the amended fee schedule or not.

11 OFFICER'S COMMENTS/CONCLUSION

Council officers have considered areas where Council has not previously charged fees, but it is considered reasonable for Council to do so given the level of work involved with each application. Officers have also considered where there is duplication in the fee schedule, and where the fees do not reflect the actual cost to Council. The proposed amendments to the fee schedule reflect these considerations.

RECOMMENDATION

That Council adopt the amended Fee Schedule to be implemented on 1 July 2019.

C&D 5 POLICY REVIEW: PUBLIC OPEN SPACE CONTRIBUTION

Attachments: Section 1 – Page 364

File: 44/001/001
Responsible Officer: Amanda Bond, Community & Development Manager
Report prepared by: Amanda Bond, Community & Development Manager

1 PURPOSE OF REPORT

The purpose of this report is to present to Council its amended Public Open Space Contribution Policy to be endorsed.

2 INTRODUCTION/BACKGROUND

Council adopted the Public Open Space Contribution Policy on 13 December 2004 (Minute Reference 406/06). The Policy has been reviewed from time to time since its adoption. In 2009 the policy was amended to include the option of using a standard cash contribution in lieu of land of \$1,200, rather than the developer obtaining a land valuation. This was based on an average contribution at the time of \$1,500 minus the valuation fee of \$300.

A report was presented to Council at its 20 May 2019 meeting (Minute Reference 137/19) proposing the following amendments to the Policy:

1. An increase in the amount of cash taken in lieu of land for Public Open Space;
2. Inclusion for provision of subdivisions where no additional lots are created; and
3. Removal of clause 4 under the title Application of Policy.

Council decided (Minute Reference 137/19):

That the policy be amended to provide for the developer to pay 5% of the value of the land in accordance with the provisions of the Local Government (Building & Miscellaneous Provisions) Act 1993 with no reference to a cash amount.

The purpose of this report is to present the amended policy back to Council to be endorsed.

Core Strategies:

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

4 POLICY IMPLICATIONS

The policy as amended reflects the provision of the *Local Government (Building & Miscellaneous Provisions) Act 1993* section 17.

5 STATUTORY REQUIREMENTS

5.1 *Local Government (Building & Miscellaneous Provisions) Act 1993* – section 117

5.2 *Local Government Act 1993* – section 205

6 FINANCIAL IMPLICATIONS

Developers are required pursuant to the *Local Government (Building & Miscellaneous Provisions) Act 1993* to make a public open space contribution when subdividing land. Council, at its discretion may accept cash in lieu of a Public Open Space contribution (section 117 *Local Government (Building & Miscellaneous Provisions) Act 1993*).

The updated policy will now bring the Northern Midlands Council in line with all surrounding Council's, except Break O'Day Council. Councillors may receive some feedback from developers following the change to the policy as, in most instances, it will mean an increase to the public open space contributions they are required to make to Council when subdividing.

For example:

- 4,000m² vacant block valued at \$200,000
- Application to subdivide into 4 x 1000m² lots
- Under current policy – public open space contribution is \$1,200 per each additional lot = \$3,600
- Under amended policy – public open space contribute is 5% of \$200,000 = \$10,000, plus cost of obtaining valuation

7 RISK ISSUES

There is a risk that developers will be deterred to develop in the municipality as the amendment to the policy will result in an increase in public open space contributions required by developers when applying for a subdivision. However, it is noted that the following Council's all rely on the provisions of section 117 of the *Local Government (Building & Miscellaneous Provisions) Act 1993* and accept 5% of the value of the land (except for Break O'Day Council who will accept a cash payment of \$1,200 per new lot).

8 CONSULTATION WITH STATE GOVERNMENT

Not applicable.

9 COMMUNITY CONSULTATION

Not applicable.

10 OPTIONS FOR COUNCIL TO CONSIDER

To adopt the amended policy, or not.

11 OFFICER'S COMMENTS/CONCLUSION

Clarification was sought at the Council meeting on 20 May 2019 regarding the amended Public Open Space Policy to

ensure it won't be triggered with a boundary realignment. The policy relates to subdivisions only, therefore a boundary adjustment will not trigger the policy.

C&D 6 POLICY REVIEW: OVERSIZE OUTBUILDINGS

Attachments: Section 1 – Page 368

Responsible Officer: Amanda Bond, Community & Development Manager

Report prepared by: Amanda Bond, Community & Development Manager

1 PURPOSE OF REPORT

The purpose of this report is for Council to rescind the Oversize Outbuildings Policy.

2 INTRODUCTION/BACKGROUND

The Oversize Outbuildings Policy was adopted on 21 February 2011, Minute Reference 041/11.

The policy was introduced because the *Northern Midlands Planning Scheme 1995* required outbuildings over 56m² in the Residential Serviced zone to be dealt with as a discretionary development, however, the scheme did not provide any guidance as to how, or against what criteria such applications should be assessed.

Subsequently, the *Northern Midlands Interim Planning Scheme 2013* is now in force.

This scheme contains the State provisions for outbuildings in the General Residential (former Residential Serviced) zone. There is now no floor area above which an outbuilding becomes discretionary in the General Residential zone. If an outbuilding does not fit within the building envelope specified in the scheme it is discretionary and has performance criteria to assess the application against:

The siting and scale of a dwelling (which includes an outbuilding associated with a dwelling) must:

- (a) *not cause unreasonable loss of amenity by:*
 - (i) *reduction in sunlight to a habitable room (other than a bedroom) of a dwelling on an adjoining lot; or*
 - (ii) *overshadowing the private open space of a dwelling on an adjoining lot; or*
 - (iii) *overshadowing of an adjoining vacant lot; or*
 - (iv) *visual impacts caused by the apparent scale, bulk or proportions of the dwelling when viewed from an adjoining lot; and*
- (b) *provide separation between dwellings on adjoining lots that is compatible with that prevailing in the surrounding area.*

4 POLICY IMPLICATIONS

The policy was originally introduced to address an omission from the *Northern Midlands Planning Scheme 1995*. There is no longer considered need for the policy.

5 STATUTORY REQUIREMENTS

There is no statutory requirement for the policy.

6 FINANCIAL IMPLICATIONS

There are no financial implications to remove the policy.

7 RISK ISSUES

There is a risk of confusion to the general public if Council in place policies that can no longer be applied. It is prudent for Council to remove the policy.

8 CONSULTATION WITH STATE GOVERNMENT

Not applicable.

9 COMMUNITY CONSULTATION

Not applicable.

10 OPTIONS FOR COUNCIL TO CONSIDER

To rescind the policy.

11 OFFICER'S COMMENTS/CONCLUSION

The Oversize Outbuildings Policy was adopted by Council to address an omission from the *Northern Midlands Planning Scheme 1995*, regarding applications for outbuildings over 56m². The introduction of the *Northern Midlands Interim Planning Scheme 2013* removed the need for the policy.

The policy has been effectively redundant since the introduction of the *Northern Midlands Interim Planning Scheme 2013*, and therefore it is appropriate it be removed from Council's policy manual.

RECOMMENDATION

That Council rescind the Oversize Outbuildings Policy.

C&D 7 POLICY: ON SITE STORMWATER DETENTION

Attachments: Section 1 – Page 370

File: 44/001/001
Responsible Officer: Amanda Bond, Community & Development Manager
Report prepared by: Amanda Bond, Community & Development Manager

1 PURPOSE OF REPORT

The purpose of this report is to present to Council an On-Site Stormwater Detention Policy for adoption.

2 INTRODUCTION/BACKGROUND

The *Urban Drainage Act 2013* regulates the management of stormwater. The purpose of this policy is to set a framework for Council Officers and developers within the municipality to refer, which clearly identifies how on-site stormwater detention will be assessed and enforced by the Northern Midlands Council.

Northern Midlands towns are predominantly situated in flat areas. It is important for Council to ensure that development within its municipality, particularly multiple dwelling developments have adequate stormwater detention and drainage, to ensure inundation of residences and buildings does not occur.

In instances where a development application is lodged to rezone a property, the developer must take into account 1:100 Average Recurrence Interval, as well as climate change with regard to management of stormwater. The *Northern Midlands Interim Planning Scheme 2013* requires this to occur.

In instances where Council receives an application for a multiple dwelling development in a low lying area of a town, where it is known that the stormwater infrastructure is near capacity, Council is limited in the conditions it can place on a developer to manage stormwater runoff, due to a restriction imposed by section 9 of the *Building Act 2016*.

Council cannot rely on conditioning the building works because in some cases the building works are notifiable only and do not require a building permit.

To date, Council officers have attempted to work with developers to ensure developments satisfactorily manage stormwater, however, Council is limited with the enforcement of its requirements.

The purpose of this policy is to set clear guidelines to developers on Council's requirements for stormwater management in certain developments.

3 STRATEGIC PLAN 2017-2027

The Strategic Plan 2017-2027 provides the guidelines within which Council operates.

- Lead –
 - Money Matters

- Place –
 - Environment – Cherish & Sustain our LandscapesCore Strategies:
 - ♦ Cherish & sustain our landscapes

4 POLICY IMPLICATIONS

This policy details the safeguards enforced by Council to ensure that stormwater runoff generated by new developments does not adversely impact downstream and surrounding properties for all storm events up to and including the 100-year Average Recurrence Interval (1% Annual Exceedance Probability) event.

5 STATUTORY REQUIREMENTS

- *Urban Drainage Act 2013*
- *Australian Rainfall and Runoff 2016*
- *State Stormwater Strategy 2010*
- *AS3500.3:2003 Plumbing and Drainage*

6 FINANCIAL IMPLICATIONS

There is no direct financial impact to Council to adopt this policy. -

7 RISK ISSUES

Without this policy Council is limited with regarding to conditioning stormwater detention requirements by developers for multiple dwelling development. This causes a risk that developments will occur that create stormwater runoff at a greater capacity than Council's stormwater infrastructure can handle, or, stormwater detention is built at a capacity that does not successfully mitigate the risk.

There is a risk that a developer may present to Council modelling which shows stormwater being adequately dealt with by the development (for example, sufficient on site detention), however, in reality, the modelling may not withstand a significant rain event, whether this be due to the work not being completed in accordance with the modelled plans, or, because the modelling was calculated incorrectly.

If the above events were to occur, resulting in a property owner discharging stormwater from a private stormwater system so that it causes or is likely to cause a nuisance to a neighbouring property or its residents, then the *Urban Drainage Act 2013* would come into force and enforcement action would need to be investigated by Council as those situations occur.

8 CONSULTATION WITH STATE GOVERNMENT

Not applicable.

9 COMMUNITY CONSULTATION

10 OPTIONS FOR COUNCIL TO CONSIDER

To adopt the policy, or not.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

11 OFFICER'S COMMENTS/CONCLUSION

The purpose of the policy is to provide clarity to developers and to protect property owners from stormwater inundation and reduce the strain on Council infrastructure.

C&D 8 LOCAL PROVISIONS SCHEDULES AND NORTHERN MIDLANDS LAND USE STRATEGY UPDATE

Attachments: Section 1 – Page 375

Responsible Officer: Amanda Bond, Community & Development Manager
Report prepared by: Amanda Bond, Community & Development Manager

1 PURPOSE OF REPORT

The purpose of this report is to provide Council with an update on the development of the Northern Midlands Local Provisions Schedules for the Statewide Planning Scheme, and the Northern Midlands Land Use Strategy.

2 INTRODUCTION/BACKGROUND

In 2017 the Northern Midlands Council engaged JMG Engineers and Planners to prepare a Northern Midlands Land Use Strategy. The purpose of the strategy is:

- To inform land use planning decisions for the Northern Midlands municipality for the next 20 years.
- To prepare the local provisions schedule to form part of the Tasmanian Planning Scheme.

A copy of the brief for the strategy is attached to this report.

In 2018 the Minister for Local Government announced that all Tasmanian Councils operating under an Interim Planning Scheme would be required to have their local provisions schedules (LPS) for the Tasmanian Planning Scheme submitted to the Tasmanian Planning Commission for review by 30 June 2019.

The intention of the LPS is for the criteria to as closely as possible match the *Northern Midlands Interim Planning Scheme 2013*. However, there are some instances where change is unavoidable. For example, the Northern Midlands currently has one zone for rural land: Rural Resource. Under the Tasmanian Planning Scheme Rural Resource can change to: Rural Zone or Agricultural Zone. JMG have worked to ensure the transition will have the least amount of impact on Rural Resource zoned land owners.

Once the LPS are endorsed by Council they are submitted to the Tasmanian Planning Commission for review, and if approved, they will be released for public exhibition. Attached to this report is a flowchart showing the process by which the LPS are reviewed and implemented.

JMG have workshopped their progress on the drafting of the LPS on the following occasions:

- 17 December 2018
- 30 April 2019

Specific concerns raised by Council during the process include:

- Clarification of difference between Rural and Agricultural Zone in the Tasmanian Planning Scheme
- Basis for determining land potentially suitable for the Agriculture Zone
- Implication of the removal of stormwater requirements in the Tasmanian Planning Scheme
- Clarification regarding streetscape provisions
- Recognition of hawthorn hedges
- Confirmation that existing major sites in in the municipality will maintain/transition to zoning that will enable their continued operation and potential future expansion.

These have been considered by JMG in the drafting process.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

The draft LPS and Land Use Strategy are presently with Council officers for review and comment prior to being finalised and workshopped with Council.

Both the LPS and the Land Use Strategy will be workshopped with Council on 8 July 2019. Following this workshop, opportunity is available for JMG to make any necessary amendments to the documentation, prior to submitting a final draft to Council for consideration at a special Council meeting, anticipated to be 22 July 2019.

Contact has been made with the Tasmanian Planning Commission advising them that the Northern Midlands Council is unable to meet the 30 June 2019 deadline for submission of the LPS.

The Tasmanian Planning Commission have advised there is no formal avenue to apply for an extension of time to submit the LPS. The Tasmanian Planning Commission have noted the Northern Midlands Council's revised timeframes and have not indicated an issue with these.

3 STRATEGIC PLAN 2017-2027

The Strategic Plan 2017-2027 provides the guidelines within which Council operates.

Core Strategies:

- ◆ Cherish & sustain our landscapes
- ◆ Meet environmental challenges
- ◆ Eco-tourism strongly showcases our natural beauties

4 POLICY IMPLICATIONS

It is important for Council to have in place a land use strategy to direct and guide future growth in the municipality.

It is mandatory for Council to prepare its LPS for inclusion in the Tasmanian Planning Scheme.

5 STATUTORY REQUIREMENTS

The local provisions schedule will form part of the Tasmanian Planning Scheme when it comes into effect.

6 FINANCIAL IMPLICATIONS

A budget allocation was set for the project in accordance with the contract amount.

There have been some variations to the project throughout the process, for example, the inclusion of an audit of significant trees in the municipality, which have been additional costs to the project.

7 RISK ISSUES

There is a risk in Council not meeting the timeframe set by the Minister for Planning to have the LPS submitted. JMG, on behalf of Council have openly communicated with the Tasmanian Planning Commission regarding the inability to meet the deadline and no concern has been raised by the Tasmanian Planning Commission.

There is a risk that Council will be required by the Tasmanian Planning Commission to re-exhibit its draft Local Provisions Schedule if Council decides that changes need to be made as a result of submissions to initial exhibition.

8 CONSULTATION WITH STATE GOVERNMENT

The drafting of the LPS has occurred at the direction of the State Government. The drafting has occurred in accordance with the Practice Guidelines released by the State Government, in conjunction with regular communication with the Tasmanian Planning Commission.

9 COMMUNITY CONSULTATION

JMG held a series of community workshops during the preparation of the Northern Midlands Land Use Strategy on 21 June, 27 June, 12 July & 18 July 2018.

Community consultation for the LPS occurs once the draft LPS are approved by the Tasmanian Planning Commission (refer to attached flow chart).

CORP 2 POLICY REVIEW: DONATIONS POLICY

Attachments: Section 1 – Page 396

*Responsible Officer: Maree Bricknell, Corporate Services Manager
Report Prepared by: Maree Bricknell, Corporate Services Manager*

1 PURPOSE OF REPORT

This report was deferred from the last meeting to seek further costing information prior to amendment of the proposed Council Donations Policy.

2 INTRODUCTION/BACKGROUND

The review of this policy has been requested by Councillors and is in accordance with the requirements of the policy.

The policy is to provide guidelines to ensure consistency in granting of donations by Council.

3 STRATEGIC PLAN 2017-2027

The Strategic Plan 2017-2027 provides the guidelines within which Council operates.

- People –
 - Lifestyle – Strong, Vibrant, Safe and Connected Communities
- Core Strategies:
- ♦ Caring, Healthy, Safe Communities – Awareness, education & service

4 OFFICER’S COMMENTS/CONCLUSION

It is proposed that the policy be amended for the following:

- Value of dollar amounts; and
- Community groups listed for annual donations.

Recommended amendments are as follows and highlighted in the attached policy document:

a) NON-PROFIT/WELFARE/COMMUNITY GROUPS

The Mayor or General Manager be authorised to grant donations of an amount not exceeding ~~\$125~~ \$150 in any one case for any recognised welfare, community service group or individual...

Based on donations provided over recent years, the expected additional budget allocation required due to the increased level of donations is \$200 per annum.

b) YOUTH, AGED AND DISABLED

The following groups are to be allocated annual donations:

Organisation	Current \$ amount	Amended \$ amount
Longford Care-a-car	\$ 1,040	\$ 1,500
Longford Volunteer Support Group/Senior Citizens	\$ 520	
Northern Midlands Helping Hand Association	\$ 1,040	\$ 1,500
Chaplaincy Service primary schools	\$ 780	\$ 800
Chaplaincy Service high/primary schools	\$ 1,560	\$ 1,600
Crime Stoppers	\$ 520	

The Longford Volunteer Support Group is now being operated / amalgamated with the Toosey Aged Care Day Centre, and Crime Stoppers Gala Dinner is no longer attended.

**NORTHERN MIDLANDS COUNCIL
AGENDA – ORDINARY MEETING
24 JUNE 2019**

c) **EDUCATION**

School leaver achievement award donations to schools within the Northern Midlands Council area upon request:

	Current \$ amount	Amended \$ amount
Secondary Schools	\$ 67	\$ 100
Primary Schools	\$ 36	\$ 50

The expected additional budget allocation required due to the increased level of donations is \$150 per annum.

d) **SPORT & RECREATION ACHIEVEMENTS**

Individuals or teams of the Northern Midlands Council area who achieve representation for Tasmania in national or international events of amateur status be given a donation upon request as follows:

		Current \$ amount	Amended \$ amount
Individual	National	\$ 62	\$ 100
	International	\$ 125	\$ 200
Teams	National	\$ 125	\$ 200
	International	\$ 250	\$ 400

Council has received on average 17 applications per annum over the last 5 years with 80 percent being national and 20 percent international representation. With a higher donation value the number of application received could be expected to increase slightly. The following table provides a summary of the additional budget allocation for the different levels of donations and the expected increase in number of applicants.

Donation Value National / International	Budget increase with 50% more applications	Budget increase with 75% more applications	Budget increase with 100% more applications
Individual \$100 / \$200 Team \$200/\$400	\$2,120	\$2,600	\$3,200
Individual \$200 / \$400 Team \$400/\$800	\$5,240	\$6,200	\$7,400
Individual \$200 / \$500 Team \$500/\$1000	\$6,760	\$7,800	\$9,100

e) **WASTE TRANSFER STATION FEES**

Community groups can apply for reimbursement of tip fees where the work performed is to the benefit of the community to a maximum cost of ~~\$312~~ \$325. The rubbish must be sorted for recycling purposes where possible.

Based on donations provided over recent years, the expected additional budget allocation required due to the increased level of donations is \$208 per annum.

f) **POLICY REVIEW**

The Donations amounts be reviewed in accordance with the Hobart Consumer Price Index every 3 years, and the policy be reviewed every 3 years.

CORP 3 MUNICIPAL BUDGET

Attachments: Section 3 – Separate Attachments

File: 34/007
Responsible Officer: Maree Bricknell, Corporate Services Manager
Report Prepared by: Maree Bricknell, Corporate Services Manager

1 PURPOSE OF REPORT

The purpose of this report is for Council to present the Municipal Budget for the financial period from 1 July 2019 to 30 June 2020 to the community.

2 INTRODUCTION/BACKGROUND

2.1 BUDGET

It is proposed that the general rate in the dollar of Assessed Annual Value increase in 2019/20 by the Local Government annual projected cost indexation factor of 3.38 percent plus a 1.0 percent increase above inflation as detailed in Council's Long Term Financial Plan. This increase is largely in line with expected expenditure increases to allow Council to maintain existing service levels, fund a small number of new initiatives, continue to allocate funds to renew municipal infrastructure, and aim to achieve a small underlying surplus operating result.

Base financial assumptions used in the 2019/20 Budget calculations are in accordance with principles adopted by Council in February 2019 and the Long Term Financial Plan adopted in June 2018 (reviewed with 2019 figures).

The assumptions included:

- 3.38 percent allowance for cost adjustments on operational expenditure
- contract payments increased as per agreement provisions
- interest on investments calculated at 2.0 percent
- Indexation of road and other annual grant funding of 1.3 percent
- fees & charges increased with inflation or to market levels
- service levels closely maintained at 2018/19 standard with emphasis on innovation and efficiency
- minimization of asset renewal shortfalls
- new operating revenues and expenses arising from new capital projects included.

This year a number of external influences were taken into consideration due to their significant impact to the service level of Council during the budget period, including:

- Federal election/budget opportunities for external funding
- Continuation of the Roads to Recovery grant funding program
- TasWater forecasted distributions level
- Lower Bank Interest rates
- New EBA wage negotiations
- Resource Sharing arrangements
- Development trends in area (incl Perth Road Bypass implications)
- Stimulus Projects in progress
- Debtor's ability to pay.

In 2019/20 budgeted operating revenue is \$21.0 million and budgeted operating expenditure is \$18.8 million which results in an operating surplus of \$2.2 million, or an underlying surplus of only \$187,000 after eliminating capital grants and developer contributions.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

Included in the operating expenditure is \$5.4 million depreciation which represents approximated 29% of operating expenditure. With completion of another large capital works program totalling \$12m Council will reduce cash holdings during 2019/20 by approximately \$2.6 million.

Operating Statement	Budget	
Underlying Surplus/(Deficit) Calculation	2019/20	%
Revenue		
Rates & Charges	11,396,634	54.2
Grants & Subsidies	5,664,139	26.9

Interest on Borrowings	272,007	1.4
Other Expenditure	1,173,801	6.3
	18,833,976	
Operating Surplus (Deficit)	2,189,682	
Adjustments :		
Less Capital Grants	(1,460,936)	
Less Subdivisions & contributed assets	(541,533)	
Less Debtors Raised Not Paid		
Underlying Surplus/(Deficit)	187,213	

In addition to recurring base grants, Council expect special purpose grant funds during 2019/20 for Roads to Recovery \$960,936, Child Care services \$167,621, Heavy Vehicle registrations \$74,197, and Pension Rate rebates \$445,258.

The proposed budget for 2019/20 includes a small number of new initiatives including:

- Special Strategic Projects \$76,100
- Youth Activities Program extension \$40,000
- Project Officer – Capital Works \$105,000
- Facility Management Officer \$50,000
- Extended Weed Spraying Program \$30,200
- Land Use Planning Strategy completion \$62,000

Council expects to hold approximately \$14 million cash as at 30 June 2019 which is forecast to decrease by \$2.6 at the end of the year with completion of all programmed capital works (Capital Works Program totalling \$12.0m with carry forward projects added).

The majority of the cash reserve funds are committed to specific projects including road and bridge programs, plant replacement, building maintenance, contractual commitments, employee entitlements and borrowings. Under the State Government Accelerated Local Government Capital Program, Council has borrow \$6.57m over a five year term (interest free) to bring forward some major capital works projects during 2018 - 2020.

A 2019/20 Fees and Charges Schedule has been reviewed, the main changes this year being:

- Tooms Lake and Lake Leake shack site leases increased in line with the General Rate,

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

- residential unit rentals by CPI adjustment,
- increased fees for land information certificates as prescribed,
- update of facility hire with committee recommendations,
- other corporate fees increased by 3.38%.

Council's estimated Employee wage cost has been increased by 2.5 percent but is subject to provisions of the Workplace Bargaining Agreement. In dollar terms, wages have increased by \$162,000 above the cost of indexation compared to last year due to an increase in staff numbers expected over the next twelve month period (in areas of project management, planning and community facilities).

Council has built into its budget during 2019/20 resource sharing services with:

- Meander Valley Council for the supply of Plumbing Inspector Services,
- Meander Valley Council for the provision of Street Sweeping Services,
- Launceston City Council for supply of Waste Disposal Services.

Council has set a large capital works budget of \$12 million including the following programs for 2019/20:

• Road Program of	\$	4,149,542
• Footpath Program of	\$	272,000
• Bridge Replacement of	\$	475,000
• Stormwater Program of	\$	1,628,137
• Community Building Improvements of	\$	3,918,173
• Recreation Improvements	\$	550,600
• Fleet Replacement Program (net cost of)	\$	609,000
• Plant & Equipment (incl. new recycle bins)	\$	260,000
• Information Technology & other equipment	\$	153,900

Management Committee Grants amount to \$53,992, Special Community Grants to \$61,460, Special Event Grants to \$62,060 and other Donations are allocated to community groups for \$34,520 in 2019/20.

Ratepayers are encouraged to obtain Council's 2019/20 Annual Plan which outlines specific projects, capital works and other tasks/targets to be achieved over the next twelve months.

2.2 RATES

Total rate revenue in 2019/20 is estimated at \$11,396,634 which represents 54.2 percent of Council's total revenue, including a General Rate revenue increase of approximately \$535,000 from last year's including expected rate base development.

All properties within the Northern Midlands area were revalued in 2019 and the new valuations provided by the Valuer General during June 2019 will be used to calculate rates for the first time from 1 July 2019.

Council will continue to use Differential Rating for different land use categories to raise the same amount of revenue as the previous year within each land use category (plus indexation and development), however average rate bills will fluctuate around +/- 15 percent due to movements within each land use category. Minimum rates have been increased by 4.38 percent for occupied land and 10 percent for unoccupied land. Minimum rates now apply to approximately 12.8 percent of all rateable properties.

As at 1 July 2019 Assessed Annual Value is expected to amount to \$168,327,258 which represents a change of \$20,666,592 attributable to development and revaluation adjustments factors over the last twelve months.

Under the differential rating system and after the revaluation of the municipal area, the following table details general rates raised in the individual land use categories, and demonstrates the movements in the share of the rates between the land use categories.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

	7,117	9,981,115	100%	9,444,927	100%	5.7%	0.0%

In order to meet wage growth, maintain service levels, retain a robust capital works program, and strive to a small surplus operating result, the general rate revenue is recommended to increase by 3.38 percent plus 1.0 percent for long term strategic positioning in 2019/20 raising a total rate of \$9,981,115 during the year.

The following rates will apply for 2019/20:

- 9.19 cents in the \$AAV for land used for industrial purposes
- 9.19 cents in the \$AAV for non used (vacant) land zoned industrial

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

- 8.48 cents in the \$AAV for land used for public purpose
- 8.27 cents in the \$AAV for land used for quarries and mining
- 7.07 cents in the \$AAV for land used for commercial purposes
- 7.07 cents in the \$AAV for land used for residential purposes
- 6.36 cents in the \$AAV for land zoned low density residential
- 6.36 cents in the \$AAV for land zoned primary production used for residential purposes
- 6.86 cents in the \$AAV for land used for sport and recreation
- 4.95 cents in the \$AAV for other non used (vacant) land
- 4.06 cents in the \$AAV for land used for primary production.

It is recommended that in 2019/20 the minimum rate be increased by 4.38 percent or \$21 to \$494 for land used for residential, commercial and quarry/ mining purposes, and increase by 10 percent or \$27 to \$299 for land used for rural, industrial, vacant, public purpose and sport and recreation purposes.

The State Fire Commission has increased the State Fire Levy to be collected by \$31,600 to \$616,641 which represents a 5.4 percent increase from last year. The minimum charge will increase by \$1 to \$41 in 2019/20, but to raise the remainder of funds the rate in \$AAV for the Volunteer Districts of Cressy, Campbell Town, Longford, Perth and Evandale will need to be adjusted from 0.4116 cents to 0.382 cents, and in all other general areas from 0.3752 cents to 0.35 cents.

In 2019/20 the recommended cost of the

- 140 litre waste and 240 litre recycling collection service will increase \$3 to \$113, and
- 240 litre waste and 240 litre recycling collection service will increase \$6 to \$169.

An additional waste collection service will again be provided between Christmas and New Year to all properties receiving the kerbside collection service.

The waste management charge for Rossarden, Lake Leake and Kalangadoo areas and no longer apply as these areas will be included in the kerbside collection service area.

The On-site Disposal System charge will increase 3.38 percent to \$642.

A Lake River Water Levy of \$200 per kilometre of river frontage will not be levied again in 2019/20.

The following table shows examples of overall rate bills compared to last year:

Council has retained a percentage early payment discount to encourage up-front rate payments for cash flow advantages of 1.0 percent.

A three (3) instalment payment system is again offered in 2019/20.

A daily interest of 0.0205 percent (7.5% p.a.) will be imposed on all overdue Rate Instalments, and a penalty of 5 percent will also be imposed on all outstanding amounts as at 1 April 2020.

During 2019/20 ratepayers have the option to pay Rates & Charges via Bpay, Bpay View, CBA, Australia Post, Service Tasmania at Campbell Town, Direct Debit and at Council Chambers at Longford. Ratepayers are encouraged to register for Rate bills to be forwarded by email, and Rate bill reminders sent by SMS.

3 STRATEGIC/OPERATIONAL PLAN

The Strategic Plan states that Council will provide practical, viable, sustainable financial management policies and procedures.

4 POLICY IMPLICATIONS

The Budget is drafted in accordance with base and financial parameters adopted by Council.

5 STATUTORY REQUIREMENTS

The 2019/20 Municipal Budget prepared in accordance with Section 82 of the Local Government Act 1993 was submitted for adoption by absolute majority prior to 31 August 2019.

Under Section 90 of the Local Government Act 1993 Council may make one general rate on all rateable land in its municipal area, based on value of land, and a minimum or fixed component may apply. Although Council can only make one general rate under Section 107 of the LGA it can vary the rate by use or non-use, locality, planning zone, or any other prescribed factor.

6 FINANCIAL IMPLICATIONS

As detailed above.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

7 CONSULTATION WITH STATE GOVERNMENT

There is some requirement to consult with the State Grants Commission, the State Fire Service and the Department of Treasury and Finance in relation to revenue and expenditure that has impact on Council's budget.

8 COMMUNITY CONSULTATION

There is community input into the budget process of drafting the budget via councillors, local district committees, and direct input from members of the public.

9 OPTIONS

Council has the option to change components of the budget as required, and also an opportunity each month to review its budget and add/delete items.

10 OFFICERS COMMENTS

Section 82 (7) of the LGA requires the General Manager to report any budget adjustment and an explanation of the adjustment at the first ordinary meeting of the council following the adjustment.

- c) That pursuant to Section 90(4) of the Local Government Act 1993 Council sets a minimum amount payable in respect of the general rate of \$494.
- d) Pursuant to section 107 Council declares by absolute majority the minimum amount is varied to \$299 by reference to land use as follows:
- i) Land used for public purposes;
 - ii) Land used for sport and recreation facilities;
 - iii) Land used for primary production;
 - iv) Land used for quarries or mining;
 - v) Land used for industrial;
 - vi) Vacant land which is not used for any purpose.

2. Service Rates and Services Charges

That pursuant to Sections 93A, 94 and 95 of the Local Government Act 1993, Council makes the following service rates and service charges on all rateable land within the municipal area of Northern Midlands (including land which is otherwise exempt from rates pursuant to Section 87 but excluding land owned by the Crown to which Council does not supply the following services) for the period on the 1 July 2019 and ending on the 30 day of June 2020 namely:

1. Service Charge Waste Management

- 1.1 A service charge for waste management (garbage removal) in respect of all land to which Council makes available a garbage removal service of:
- i) \$113 for one 140 litre mobile garbage bin and 240 litre mobile recycling bin
 - ii) \$169 for one 240 litre mobile garbage bin and one 240 litre mobile recycling bin; and

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

- iii) \$84 for each additional recycle bin.

2. Fire Service Contribution

- 2.1 Pursuant to section 93A of the Local Government Act 1993 Council makes the following service rates in respect of the Fire Service Contributions it must collect under the Fire Service Act 1979 for the rateable parcels of land within the municipal area as follows;
 - a) Cressy, Campbell Town, Longford, Perth & Evandale Volunteer Brigade rating district 0.382 cents in the dollar of assessed annual value of such land;
 - b) for general land 0.35 cents in the dollar of assessed annual value of such land.
- 2.2 Pursuant to section 93(3) Council sets a minimum amount payable in respect of the service rate for fire protection of \$41.

3. Separate Land

For the purposes of these resolutions the rates and charges shall apply for each parcel of land which is shown as being separately valued in the valuation list prepared under the Valuation of Land Act 2001.

4. Payment

Pursuant to Section 124 of the Act, Council:

- a) permits all ratepayers to pay rates by instalments instead of by one payment, if ratepayers so elect
- b) determines that if all rates are paid by one payment, then the date by which the rates are due to be paid shall be 30 September 2019
- c) decides that where rates are payable by instalments, then they shall be paid by three instalments of approximately equal amounts and determines that the dates by which such instalments are to be paid shall be as follows:
 - i) the first instalment on or before 31 August 2019
 - ii) the second instalment on or before 30 November 2019
 - iii) the third instalment on or before 28 February 2020

5. Discount for Early Payment

Pursuant to Section 130 of the Act, Council offers to all ratepayers who pay the whole of the rates specified in the rates notice in one payment on or before 31 August 2019, a discount of 1.0% upon the current rates and charges.

6. Penalty & Interest

That pursuant to Section 128 of the Act, if any rate or instalment is not paid on or before the date it falls due then:

- a) there is payable a penalty of 5% of the unpaid rate or instalment imposed from 1 April 2020; and
- b) there is payable a daily interest charge of 0.0205% in respect of the unpaid rate or instalment for the period during which it is unpaid.

7. Adjusted Values

That for the purposes of each of these resolutions, any reference to assessed annual value includes a reference to that value as adjusted pursuant to Section 89 of the Local Government Act 1993.

8. Words Used

Words and expressions used both in these resolutions and in the Local Government Act 1993 or the Fire Service Act 1979 have in these resolutions the same respective meanings as they have in those Acts.

NORTHERN MIDLANDS COUNCIL
AGENDA – ORDINARY MEETING
24 JUNE 2019

- E. That Council approve and adopt special project assistance funding.
- F. That Council approve and adopt special event funding.
- G. That Council pursuant to Section 205 of the Local Government Act 1993;
 - i) Imposes fees and charges as specified in the Fees and Charges Schedule 2019/2020; and
 - ii) In addition to any other fee, charge, rate or service charge, Council imposes a \$642 charge for the service of bio-cycle sewer disposal systems for the period 1 July 2019 to 30 June 2020.
 - iii) Each of the fees and charges referred to in these resolutions are payable within 30 days of receipt by the person who is liable to pay rates in respect of the land to which the fees and charges relate, of a notice of those fees and charges from the Council.
 - iv) If any fee or charge is not paid to Council on the date that it is due for payment then interest is payable at a rate of 7.50% from the due date of payment until the date of payment.

**WORKS 1 APPLICATION TO PURCHASE ROAD RESERVE:
TRAFALGAR STREET, ROSS**

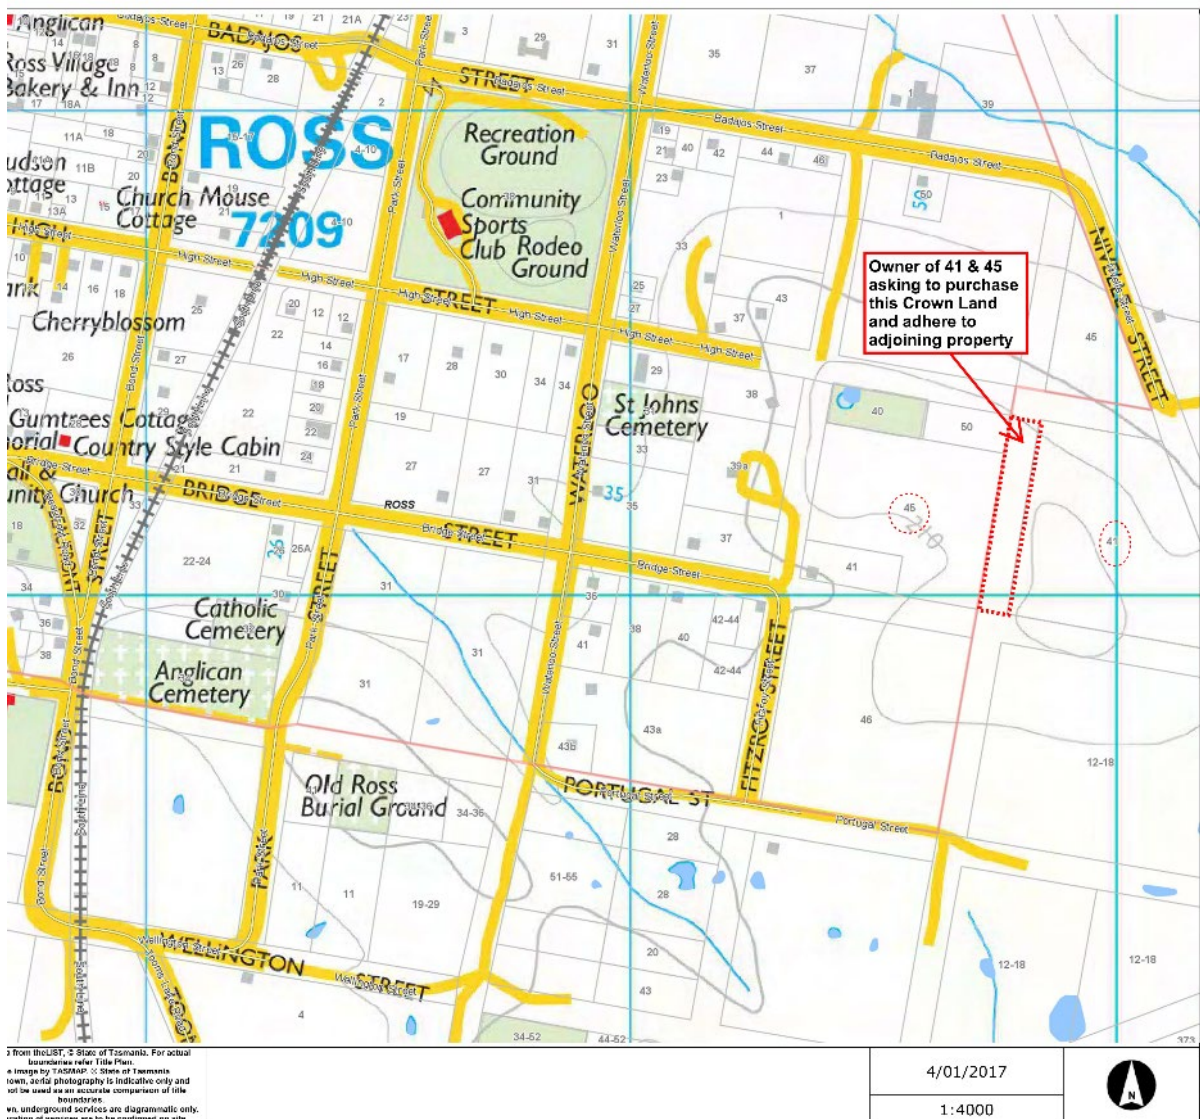

Responsible Officer: Leigh McCullagh, Works Manager
Report prepared by: Leigh McCullagh, Works Manager

1 PURPOSE OF REPORT

This report seeks Council’s view on an application to purchase a road reserve in Ross.

2 INTRODUCTION/BACKGROUND

The Department of Primary Industries, Parks, Water & Environment is investigating an application to purchase Crown land between 41 and 45 Bridge Street, Ross, indicated below.

This matter has been considered previously by Council with the following decisions recorded:

- 23 January 2017 Minute 11/17: That the matter be deferred to be considered following consultation

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

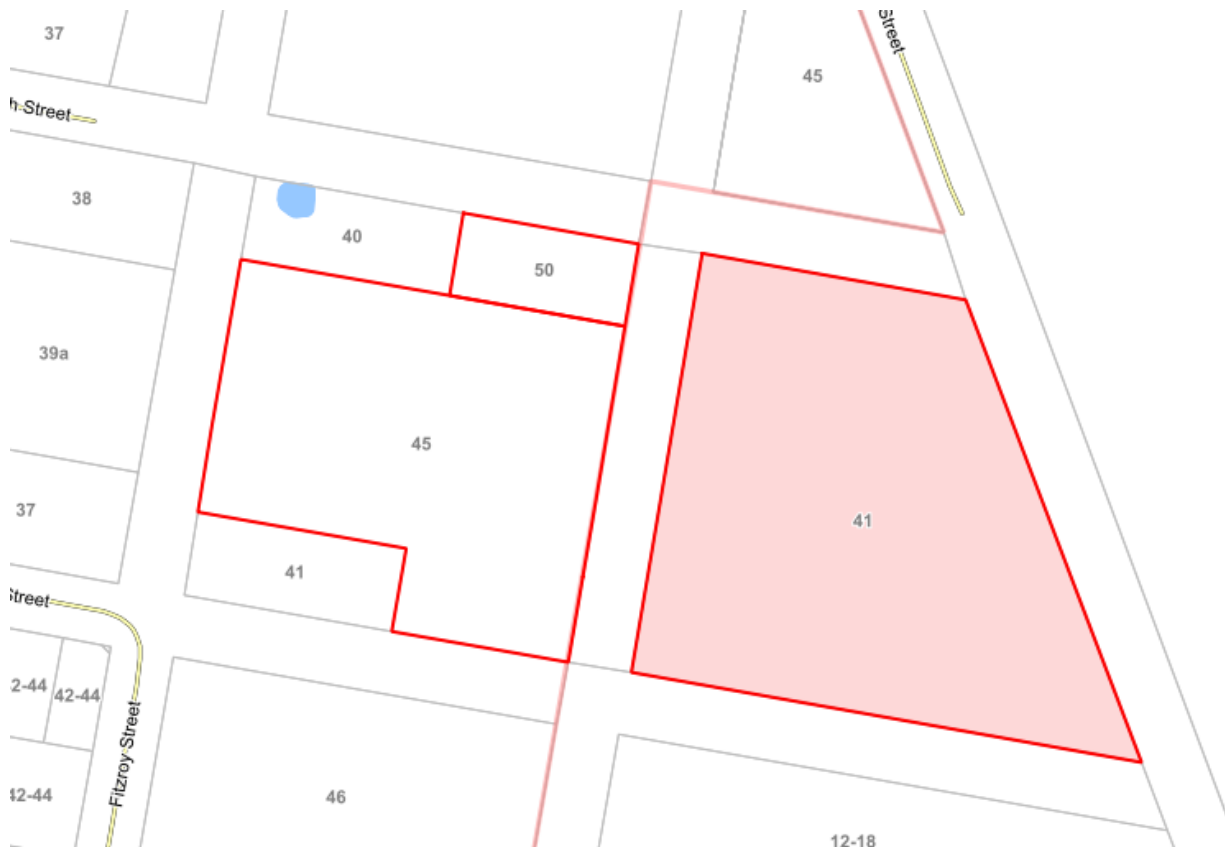

with the Ross Local District Committee.

- 20 March 2017 Minute 94/17: That Council advise the Department of Primary Industries, Parks, Water & Environment that it does not support a recommendation of the sale of the Crown land on the grounds that a lease over the land would be preferable.

At the time these decisions were made the properties likely to be affected by the sale were not identified as being in the ownership of the applicant.

It is noted that the properties likely to be affected by such a sale are in the ownership of the applicant (properties highlighted below). This being the case, no other property owner would be affected should the Department of Primary Industries, Parks, Water & Environment agree to sell the Crown land to the applicant.

It should be noted that the properties identified are on separate titles and should the applicant wish to sell off any one of the three properties, the sale of the road reserve could impact subsequent ownership.

3 STRATEGIC PLAN 2017-2027

The Strategic Plan 2017-2027 provides the guidelines within which Council operates.

- Lead –
 - Leaders with Impact
- Core Strategies:
- ♦ Lead – Councillors represent honestly with integrity
 - ♦ Manage – Management is efficient and responsive

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

4 POLICY IMPLICATIONS

There are no policy implications identified.

5 STATUTORY REQUIREMENTS

Crown Lands Act 1976

The sale of Crown land is provided for in Part III of the *Crown Lands Act 1976*.

6 FINANCIAL IMPLICATIONS

No financial implications to Council have been identified.

7 RISK ISSUES

The properties identified are on separate titles, therefore any future sale of any of the individual properties could impact subsequent ownership.

8 CONSULTATION WITH STATE GOVERNMENT

The State Government has requested Council's comments on the request to purchase from a local government and planning perspective.

9 COMMUNITY CONSULTATION

Crown Land Services request for Council's view on the application to purchase allows for community consultation.

The matter was considered at the Ross Local District Committee meeting of 1 February 2017 where the Committee suggested alternative options, such as lease or licence of the area.

10 OPTIONS FOR COUNCIL TO CONSIDER

Council can advise the Department of Primary Industries, Parks, Water & Environment that:

- a) it supports a recommendation of the sale of the Crown land on the condition that it is adhered to the adjoining title; or
- b) it does not support a recommendation of the sale of the Crown land on the grounds that a lease over the land would be preferable.

11 OFFICER'S COMMENTS/CONCLUSION

The land is adjacent to the current applicant's property and does not appear to be required for a future road or access to other properties.

The sale of the land would allow it to be incorporated into that property and maintained by the applicant.

It is noted that in February 2017 the Ross Local District Committee suggested alternative options, such as a lease or licence of the area.

The Crown Land Services website defines these options as follows:

Leases authorise the exclusive occupation of Crown land for a fixed-term and specified purpose. Generally, leases are issued

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

where longer-term or commercial activities are proposed. Examples include marinas, community halls, caravan parks and sporting facilities.

Licences are agreements that authorise the use or occupation of Crown land for a specified purpose. Licences, unlike leases, do not confer exclusive possession and are often issued for shared use of Crown land, such as shared access over Reserved Roads. Other example purposes include apiary (bee keeping), grazing, and private slipways and jetties.

In accordance with the above definitions, should Council not support the sale of the land a lease would be more appropriate in this instance.

RECOMMENDATION

That Council advise the Department of Primary Industries, Parks, Water & Environment that it supports a recommendation of the sale of the Crown land on the condition that it is adhered to the adjoining title.

WORKS 2 GIVE-WAY SIGNAGE AT INTERSECTIONS – ROSS

Attachments: Section 1 – Page 398

Responsible Officer: Leigh McCullagh, Works Manager
Report Prepared by: Jonathan Galbraith, Engineering Officer

1 PURPOSE OF REPORT

The purpose of this report is to provide Council with information regarding traffic management at intersections in Ross.

2 INTRODUCTION/BACKGROUND

There are a number of uncontrolled intersections in Bond, Park and Waterloo streets in Ross, where there are no signs and the “give-way to the right” rule applies. These streets have low traffic volumes and no significant issues have been identified from the crash history provided by the Department of State Growth; however, there have been anecdotal reports of some near misses, and residents have requested that Council install give-way signage at these intersections.

After a recent request from the Ross Local District Committee, Council engaged Mr Andrew Howell, an experienced Traffic Engineer to review these intersections. Mr Howell noted that traffic volumes are very low and the Tasmanian Road Rules make provision for uncontrolled intersections. He advised that despite the low traffic volumes it is a requirement of Australian Standard AS 1742.2 that give-way signage is installed at all intersections with four or more legs, once these intersections are identified by the road authority.

3 STRATEGIC PLAN 2017-2027

The Strategic Plan 2017-2027 provides the guidelines within which Council operates.

- Progress –
 - Strategic Project Delivery – Build Capacity for a Healthy Wealthy Future
Core Strategies:
 - ♦ Strategic, sustainable, infrastructure is progressive
 - ♦ Proactive engagement drives new enterprise
 - ♦ Collaborative partnerships attract key industries
 - ♦ Attract healthy, wealth-producing business & industry

4 POLICY IMPLICATIONS

The findings of the report into traffic management at intersections in Ross may need to be taken into consideration at other intersections in the Northern Midlands Municipality.

5 STATUTORY REQUIREMENTS

The following standards and regulations have relevance to this matter

- *Australian Standard AS 1742.2 – Traffic Control Devices for General Use*
- *Austroads Guidelines*
- *Tasmanian Road Rules 2017*

6 FINANCIAL IMPLICATIONS

Nine uncontrolled intersections have been identified in Ross. The estimated cost to install give-way signs and holding lines is \$550 per intersection.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

7 RISK ISSUES

Due to the low traffic volumes these intersections are not considered a significant risk but, as advised by Mr Howell, once identified by the road authority signage should be installed in compliance with AS 1742.2.

8 CONSULTATION WITH STATE GOVERNMENT

In preparing his report Mr Howell discussed this matter with officers from the Traffic Management Division of the Department of State Growth.

9 COMMUNITY CONSULTATION

This matter has been discussed at the Ross Local District Committee on several occasions.

10 OPTIONS FOR COUNCIL TO CONSIDER

To install signs at uncontrolled intersections in Ross.

11 OFFICER'S COMMENTS/CONCLUSION

Mr Howell has advised that signage and holding lines should be installed at these intersections and this advice should be followed by Council to ensure compliance with AS1742.2.

12 ATTACHMENTS

12.1 Report from Mr Andrew Howell – Traffic Engineer

RECOMMENDATION

That Council install give-way signage and mark holding lines at intersections in Ross in accordance with the advice provided by Mr Howell.

WORKS 3 STREET TREE BONDS

Responsible Officer: Leigh McCullagh, Works Manager

Report prepared by: Leigh McCullagh, Works Manager

1 PURPOSE OF REPORT

The purpose of this report is to provide information in relation to the return of tree bonds for new subdivisions where trees are unable to be planted.

2 INTRODUCTION/BACKGROUND

Council officers have been working with developers in regarding to the planting of trees in new subdivisions and/or the return of tree bonds.

It has been practice for Council to request developers to pay a contribution to Council to cover the planting of street trees in new sub divisions. The funds are then utilised to plant street trees where possible.

The planting of street trees is subject to a number of limitations, which include verge width, presence of underground / overhead services, such as Aurora, Telstra, Sewer and Stormwater. For example:

- TasNetworks clearance zones for tree planting show what is required. Trees require at least a 1m x 1m hole (excavation) at .8m deep and clear of ALL services.
- Trees or their root systems will endeavour to look for water, which trenches act as french drains, in the weakest path.

Once a location and tree type is identified as being appropriate, the owners of neighbouring properties are consulted and if property owners agree to water the trees during the summer period, trees are then planted.

2.1 Limitations to the Planting of Trees

There are a number of factors which hinder or prevent the planting of street trees within naturestrips, which include:

- Design

The design does not allow for the placement of trees in the naturestrip and services are placed so that trees are not able to be planted.

- Clearance Zones

In addition to the three-metre clearance zones, trees planted in narrow nature strips need to be clear stemmed up to a height of 1.8 metres to provide adequate site distance for property owners to access the road from their driveways.

- Tas Networks – Safe growing around distribution powerlines:

The following information is provided on the TasNetworks website:

A distribution powerline often has more than one wire and generally doesn't connect to a property. We're responsible for maintaining vegetation within the Clearance Zone around all TasNetworks-owned distribution powerlines.

What are the required clearances?

We trim trees to adhere to the certain Clearance Zones. The Clearance Zones take into account the space needed to protect everyone’s safety, reduce the risk of fire and ensure a reliable supply of power.

As a general rule, the Clearance Zone is 3 metres. But in some cases where there are long spans of powerlines or very tall trees, we may do more than just trim trees and instead completely clear vegetation to achieve greater clearances.

When maintaining vegetation on your property, under no circumstances are you, your tools or any part of your equipment permitted to be within 3 metres of a distribution line. You must also ensure no part of the vegetation comes within 3 metres of a distribution line.

- Clearance Zone. No trees or branches in this area under any circumstance. Tree trimming in this area is only permitted by authorised contractors or TasNetworks.
- We may trim trees in this area if there’s a risk of contact. You may trim trees in this area if there’s no risk of you, your equipment or the vegetation coming within 3 metres of the lines.

o Underground Services

Underground power has only been installed in the Main Street of Ross and in new subdivisions; however, the following is noted in this regard: underground power has a cable exclusion zone, being one-metre either side, plus an additional one metre hazard zone.

Water, sewer, stormwater and Telstra services are also located in these narrow nature strips.

If guidelines and recommended distances from services are adhered to it is almost impossible to plant trees in many of the narrower nature strips (including new subdivisions) which are often not of sufficient width.

- Environmental Conditions

In addition to factors such as maintenance and clearance zones, trees planted in the Northern Midlands area are subject to the following identified environmental conditions.

- Ground conditions become compacted preventing water flowing to the roots.
- Generally, particularly to the south of the municipal area, weather conditions in the Midlands can be extreme ranging from below zero degrees in winter to 35 degrees in summer. During the summer period low levels of rainfall occurs across the Northern Midlands and trees that do not have a watering system suffer and sometimes die. Council's workforce hand water trees that are planted in main streets for two to three years after planting.
- Trees need to be non-toxic, non-allergenic and should not have fruit that may be hazardous to persons accessing infrastructure.

2.2 Value of street trees

Social Values – Street trees can:

- Beautify and soften the harshness of streets and buildings
- Enhance heritage, character and significance
- Screen unattractive views
- Provide shade, therefore reduce sunburn and skin cancer
- Calm traffic and improve public safety
- Make streets more pedestrian friendly and improve community health
- Provide sensory stimulation – colours, forms, scents and sounds.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

Environmental values – Street trees can:

- Reduce Carbon Dioxide CO² gas levels by direct absorption and reduced car use
- Provide compost
- Slow down wind speeds
- Reduce storm water run-off
- Produce oxygen - O² gas
- Trap airborne particles and pollutants
- Shade houses, cars and reduce energy consumption
- Provide fauna habitat and enhance biodiversity.

Economic values – Street trees can:

- Improve property values
- Reduce energy expenditure
- Encourage walking and reduce car usage.

2.3 Matters to be addressed when giving consideration to the planting of trees

- Traffic conditions and location of proposed trees in relation to driveways
- Alignment and uniformity
- Verandas constructed over footpaths
- Location of underground and overhead services
- Dropping of leaves, flowers, seeds, twigs, sap and branches
- Potential to cause damage to footpaths and contribute to property damage
- Conceal views and overshadow
- Become a mowing obstacle
- Compete with grass or garden plants
- Harbor pest animals, leading to noise and droppings
- Incur maintenance costs – pruning, street cleaning
- Existing streetscape character
- Environmental conditions
- Growing space and conditions
- Existing streetscape plans (if applicable)

2.4 Tree Planting

Tree planting is an essential component of the management of Council's tree assets. Continued tree planting by Council is required to maintain and increase the number of trees on public land throughout the municipality.

Council generally undertakes street tree planting in the cooler months of the year from June to September. The planting of larger advanced quality stock of the most suitable specie with improved installation and maintenance methods should ensure the tree grows to a healthy, mature specimen.

It is important to realise that Street trees are council's responsibility. Due to tree management and legal liability trees should generally only be planted by Council and not residents unless it is a condition of development consent.

3 STRATEGIC PLAN 2007/2017

The Strategic Plan 2017-2027 provides the guidelines within which Council operates.

- Lead –
 - Money Matters

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

Core Strategies:

- ♦ Improve community assets responsibly and sustainably

- ♦ Public assets meet future lifestyle challenges
- Place –
 - Environment – Cherish & Sustain our Landscapes

Core Strategies:

- ♦ Cherish & sustain our landscapes
- ♦ Meet environmental challenges
- ♦ Eco-tourism strongly showcases our natural beauties

4 POLICY IMPLICATIONS

There is currently no policy in relation to this matter.

A recognised process is however followed in regard to the planting of street trees and the maintenance thereof.

5 STATUTORY REQUIREMENTS

Legislation allows for service providers such as TasNetworks and Telstra; as well as the Department of State Growth to undertake maintenance/pruning of trees which are considered a threat to their infrastructure. Planning permits are applicable for plantings in some areas.

6 FINANCIAL IMPLICATIONS

Tree bonds are paid in respect of a specific subdivision and are non-transferrable.

7 RISK ISSUES

Risk issues identified include:

- Trees planted on verges which are too narrow to allow for safe use of footpaths by users and which overhang the road pavement.
- Trees which hinder line of sight of road users.
- Trees dying when they are young due to insufficient water.
- Parking issues created by inappropriate plantings.
- Destruction of assets.
- Council may be required to remove trees planted within, or near, the clearance zones of TasNetwork's infrastructure.

Under the tree planting guidelines council's insurers require root barriers to be installed to ensure root growth does not cause damage (tripping points) in footpaths which may result in a future public liability claim.

8 COMMUNITY CONSULTATION

From time to time, Local District Committees and communities request that Council consider the planting of street trees. Consideration is given to these requests with trees being planted as deemed appropriate. Consideration is given to a number of factors, including verge width, presence of underground / overhead services; once a location and tree type is identified as being appropriate, the owners of neighbouring properties are consulted.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

Prior to planting trees, the owners of the properties are provided with a letter from Council advising of the proposed planting and seeking their input into the watering of the trees.

9 OPTIONS FOR COUNCIL TO CONSIDER

Develop a policy where the onus is on the developer/designer to include the following:

- make provision for a tree to be planted at the frontage of all blocks and clear of all services
- trees planted to be subject to a list of trees specified by NMC
- trees are to be planted by the developer of the subdivision prior to handover to Council at the end of the 12-month maintenance period
- Installation of a watering system for street trees within the subdivision with a dedicated water meter
- Installation of anti-vandal theft devices to trees.

10 OFFICER'S COMMENTS/CONCLUSION

The Northern Midlands council trees are an important asset. Trees are crucial to the amenity of the unique townships of the Northern Midlands and provide numerous environmental, social, health and financial benefits to each town and community.

In excess of 5,600 trees have been planted in the streets, parks and reserves of the Northern Midlands and are recorded in Council's tree register.

Northern Midlands Council through judicious planting and maintenance of trees, aims to conserve and enhance streetscapes within the municipality, whilst maintaining safe access for pedestrians and road users to all public thoroughfares.

It is recognized, however, that the planting of street trees is subject to a number of limitations, which include verge width, presence of underground / overhead services, such as TasNetworks, Telstra, sewer and stormwater. Once a location and tree type is identified as being appropriate, the owners of neighbouring properties are consulted and if property owners agree to water the trees during the summer period, trees are then planted.

Trees are therefore planted on an as required basis as appropriate and in conjunction with street reconstruction works.

Council's priority is to maintain public safety with respect to the planning, provision and maintenance of its trees and streetscapes. Council is aware that trees will conflict with other elements of a streetscape but recognizes that all components of a streetscape are essential to provide a pleasant and functional environment.

Experience has proven that priority should be given to streets in which the property owners agree to water the trees as required.

In most instances the property owners in the newer subdivisions are more in favour of planting and watering trees than owners of established properties.

Tree bonds have been paid to Council by developers so that trees are able to be planted within new subdivisions by Council after development of houses so that less damage is incurred from building activities. Unfortunately, due to a number of factors, it has not always been possible for the trees to be planted, and Council officers are currently working with developers to remedy this situation, i.e. either identifying areas where trees are able to be planted and/or through the return of tree bonds.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

Council Officer's are of the opinion that the development of a Council Policy which would place the onus on new subdivision developers and designers to include in their development plans the location of trees to be planted, together with the associated infrastructure, would ensure the best outcomes for the establishment of tree plantings in new developments.

11 ATTACHMENTS

Nil.

RECOMMENDATION

That

- i) in relation to bonds paid by developers for the planting of street trees, Council officers continue to work with developers to identify areas where trees are able to be planted and/or return the tree bonds; and
- ii) a Council Policy be developed in relation to the responsibility of developers/designers to plan and plant trees in new subdivisions.

NORTHERN MIDLANDS COUNCIL
 AGENDA – ORDINARY MEETING
 24 JUNE 2019

7 DISCUSSION

7.1 ASSESSMENT FOR CONSISTENCY WITH SECTION 32 OF THE LAND USE PLANNING & APPROVALS ACT 1993

Section 32 of the Land Use Planning & Approvals Act 1993 requires that an amendment of a planning scheme–

Must, as far as practicable, avoid the potential for land use conflicts with use and development permissible under the planning scheme applying to the adjacent area.

Comment: Given the low use of the adjacent land for grazing, and use of surrounding land for residential purposes, rezoning to General Residential is expected to avoid potential land use conflicts with adjacent land.

Must be consistent with the Regional Land Use Strategy and any mandatory provisions (section 300).

Comment: The Northern Regional Land Use Strategy includes Longford as a District Service Centre. Council’s Settlement Strategy regarding Longford is to reinforce and encourage growth within the existing settlement pattern for commercial, residential, industrial and community development. The proposal is consistent with these strategies.

Regarding flooding and climate change, the Northern Regional Land Use Strategy states:

Strategic Direction G3.1 h)

Preserve and protect areas of natural environmental significance, particularly ... land ... sensitive to climate change ... and other natural hazards (including ... flooding).

Strategic Direction G3.2 a)

Support good building design ... by ... identifying known or foreseeable impacts of climate change, such as ... flood risk ... and adopting a precautionary approach to the location of new development.

E.7.3 Key Environment Strategies

Support ‘early action’ against climate change and advance strategic planning initiatives that identify and prioritise response to environmental issues and limit associated future costs.

Measures for climate change adaptation are to inform municipal planning schemes including technological, infrastructure, planning and regulatory measures.

Climate Change Adaptation Policy CCA-P2

Protect investment in new infrastructure from the impacts of climate change.

Comment: Council has flood modelling for a 1 in 100 climate change flood event occurring in conditions predicted for 2070 to 2099. The modelling shows that the following depths of fill will be required for housing development on the proposed lots:

	Fill 500mm above flood level (recommended)	Fill 300mm above flood level
Corner of Bulwer St & Burghley St	0.9m	0.6m
Corner of Bulwer St & Catherine St	0.59m	0.29m
Corner of Lewis St West & Catherine St	0.23m	Nil
Corner of Lewis St West and Burghley St	0.96m	0.66m

The application has not demonstrated that the filling required to be above the 1:100 climate change flood event occurring in conditions predicted for 2070 to 2099 will not have an adverse effect on existing properties. As such, the draft amendment is not consistent with the Regional Land Use Strategy.

The proposal is consistent with mandatory provisions under section 30(O) of the former provisions of the *Land Use Planning & Approvals Act 1993*.

NORTHERN MIDLANDS COUNCIL
AGENDA – ORDINARY MEETING
24 JUNE 2019

Must have regard to the impact that the use and development permissible under the amendment will have on the use and development of the region as an entity in environmental, economic and social terms.

Comment: Use and development permissible under the amendment is not expected to have a negative impact on the use and development of the region as an entity in environmental, economic and social terms.

Must be consistent with the overarching requirements for planning schemes [sections 20(2), (3), (4), (5), (6), (7), (8), and (9)]:

(2) A planning scheme may–

- (aa)** make any provision which relates to the use, development, protection or conservation of any land in the area; and
- (a)** set out policies and specific objectives; and
- (b)** regulate or prohibit the use or development of any land; and
- (c)** designate land as being reserved for public purposes; and
- (d)**
- (e)** set out requirements for the provision of public utility services to land; and
- (f)** require specified things to be done to the satisfaction of the Commission, relevant agency or planning authority; and
- (g)** apply, adopt or incorporate any document which relates to the use, development or protection of land; and
- (h)** provide that any use or development of land is conditional on an agreement being entered into under Part 5; and
- (ha)** set out provisions relating to the implementation in stages of uses or developments; and
- (i)** provide for any other matter which this Act refers to as being included in a planning scheme; and
- (j)** provide for an application to be made to a planning authority to bring an existing use of land that does not conform to the scheme into conformity, or greater conformity, with the scheme.

Comment: The proposal is consistent with the requirements at (a) to (f) above.

(3) Subject to subsections (4), (5) and (6), nothing in any planning scheme is to be taken (including by virtue of requiring a permit to be obtained) to–

- (a)** prevent the continuance of the use of any land, upon which buildings or works are not erected, for the purposes for which it was being lawfully used before the coming into operation of the scheme; or
- (b)** prevent the use of any building which was erected before that coming into operation for any purpose for which it was lawfully being used immediately before that coming into operation, or the maintenance or repair of such a building; or
- (c)** prevent the use of any works constructed before that coming into operation for any purpose for which they were being lawfully used immediately before that coming into operation; or
- (d)** prevent the use of any building or works for any purpose for which it was being lawfully erected or carried out immediately before that coming into operation; or
- (e)** require the removal or alteration of any lawfully constructed buildings or works; or
- (f)** prevent a development, which was lawfully commenced but not completed before the coming into operation of the scheme, from being completed within–
 - (i)** 3 years of that coming into operation; or
 - (ii)** any lesser or greater period specified in respect of the completion of that development under the terms of a permit or special permit granted before the coming into operation of the scheme.

Comment: The proposal is consistent with these requirements.

(4) Subsections (3) and (3A) do not apply to a use of land–

- (a)** which has stopped for a continuous period of 2 years; or

NORTHERN MIDLANDS COUNCIL
AGENDA – ORDINARY MEETING
24 JUNE 2019

- (b) which has stopped for 2 or more periods which together total 2 years in any period of 3 years; or
(c) in the case of a use which is seasonal in nature, if the use does not take place for 2 years in succession.*

Comment: The proposal is consistent with these requirements.

(5) Subsection (3) does not apply to the extension or transfer from one part of a parcel of land to another of a use previously confined to the first-mentioned part of that parcel of land.

Comment: The proposal is consistent with these requirements.

(6) Subsections (3) and (3A) do not apply where a use of any land, building or work is substantially intensified.

Comment: The proposal is consistent with these requirements.

(7) Nothing in any planning scheme or special planning order affects –

(a) forestry operations conducted on land declared as a private timber reserve under the Forest Practices Act 1985; or

(b) the undertaking of mineral exploration in accordance with a mining lease, an exploration licence, or retention licence, issued under the Mineral Resources Development Act 1995, provided that any mineral exploration carried out is consistent with the standards specified in the Mineral Exploration Code of Practice; or

(c) fishing; or

(d) marine farming in State waters.

Comment: The proposal is consistent with these requirements.

(8) The coming into operation of a planning scheme or a special planning order does not legitimize a use or development which was illegal under a planning scheme or a special planning order in force immediately before that coming into operation.

Comment: The proposal is consistent with these requirements.

(9) A planning scheme may require a use to which subsection (3) applies to comply with a code of practice approved or ratified by Parliament under an Act.

Comment: The proposal is consistent with these requirements.

Must seek to further the objectives in Schedule 1 of the Act

Part 1 – The objectives of the resource management and planning system of Tasmania are –

(a) to promote the sustainable development of natural and physical resources and the maintenance of ecological processes and genetic diversity.

Comment: The draft amendment is consistent with this objective.

(b) to provide for the fair, orderly and sustainable use and development of air, land and water.

Comment: It is considered that the proposal is not consistent with this provision, given Council's flood modelling that shows the land will be subject to flooding in a 1 in 100 year climate change flood event occurring in conditions predicted for 2070 to 2099.

(c) to encourage public involvement in resource management and planning.

Comment: If initiated, the draft amendment will be placed on public exhibition, providing an opportunity for public involvement.

(d) to facilitate economic development in accordance with the objectives set out in paragraphs (a), (b) and (c).

**NORTHERN MIDLANDS COUNCIL
AGENDA – ORDINARY MEETING
24 JUNE 2019**

Comment: The draft amendment is consistent with this objective.

(e) to promote the sharing of responsibility for resource management and planning between the different spheres of Government, the community and industry in the State.

Comment: The application has been referred to TasWater and if initiated will be sent to the Tasmanian Planning Commission.

Part 2 – The objectives of the planning process established by the Act are, in support of the objectives set out in Part 1 of the Schedule –

(a) to require sound strategic planning and co-ordinated action by State and local government.

Comment: As discussed above, regarding flooding and climate change, the Northern Regional Land Use Strategy states:

Strategic Direction G3.1 h)

Preserve and protect areas of natural environmental significance, particularly ... land ... sensitive to climate change ... and other natural hazards (including ... flooding).

Strategic Direction G3.2 a)

Support good building design ... by ... identifying known or foreseeable impacts of climate change, such as ... flood risk ... and adopting a precautionary approach to the location of new development.

E.7.3 Key Environment Strategies

Support ‘early action’ against climate change and advance strategic planning initiatives that identify and prioritise response to environmental issues and limit associated future costs.

Measures for climate change adaptation are to inform municipal planning schemes including technological, infrastructure, planning and regulatory measures.

Climate Change Adaptation Policy CCA-P2

Protect investment in new infrastructure from the impacts of climate change.

Comment: Council has flood modelling for a 1 in 100 climate change flood event occurring in conditions predicted for 2070 to 2099. The modelling shows that the following depths of fill will be required for housing development on the proposed lots:

	Fill 500mm above flood level (recommended)	Fill 300mm above flood level
Corner of Bulwer St & Burghley St	0.9m	0.6m
Corner of Bulwer St & Catherine St	0.59m	0.29m
Corner of Lewis St West & Catherine St	0.23m	Nil
Corner of Lewis St West and Burghley St	0.96m	0.66m

The application has not demonstrated that the filling required to be above the 1:100 climate change flood event occurring in conditions predicted for 2070 to 2099 will not have an adverse effect on existing properties.

(b) to establish a system of planning instruments to be the principal way of setting objectives, policies and controls for the use, development and protection of land.

Comment: The Northern Midlands Interim Planning Scheme 2013 is the planning instrument that applies to the subject land.

(c) to ensure that the effects on the environment are considered and provide for explicit consideration of social and economic effects when decisions are made about the use and development of land.

NORTHERN MIDLANDS COUNCIL AGENDA – ORDINARY MEETING 24 JUNE 2019

Comment: As discussed above, the application has not demonstrated that the filling required to be above the 1:100 climate change flood event occurring in conditions predicted for 2070 to 2099 will not have an adverse effect on existing properties.

(d) to require land use and development planning and policy to be easily integrated with environmental, social, economic, conservation and resource management policies at State, regional and municipal levels.

Comment: The draft amendment is consistent with this objective.

(e) to provide for the consolidation of approvals for land use or development and related matters, and to co-ordinate planning approvals with related approvals.

Comment: The draft amendment is consistent with this objective.

(f) to secure a pleasant, efficient and safe working, living and recreational environment for all Tasmanians and visitors to Tasmania.

Comment: The draft amendment is consistent with this objective.

(g) to conserve those buildings, areas or other places which are of scientific, aesthetic, architectural or historical interest, or otherwise of special cultural value.

Comment: The draft amendment is consistent with this objective.

(h) to protect public infrastructure and other assets and enable the orderly provision and co-ordination of public utilities and other facilities for the benefit of the community.

Comment: As discussed above, the land will need to be filled to be above the 1 in 100 climate change flood event occurring in conditions predicted for 2070 to 2099. The draft amendment has not demonstrated how filling the land will protect public infrastructure and other assets from floodwater dispersed by the filling.

(i) to provide a planning framework which fully considers land capability.

Comment: The draft amendment is consistent with this objective.

Must be in accordance with State Policies.

State Policy for the Protection of Agricultural Land – The application notes that:

The site is vacant grazing land. The land is not farmed in any commercial sense and has not been identified as having agricultural potential. The block has been categorised as Class 4, which is defined as land which is limited to occasional cropping or a very restricted range of crops. Therefore, the rezoning and subdivision of land will have no impact on any agricultural resource development uses. It is considered that the application is consistent with this policy.

Water Quality Management State Policy – The site will be connected to the reticulated stormwater system.

State Coastal Policy - There is no coastal land within the municipal area of the Northern Midlands.

National Environmental Protection Measures – None relevant.

7.2 ASSESSMENT OF PLANNING APPLICATION

In accordance with section 43A (former provisions) of the *Land Use Planning & Approvals Act 1993*, where a planning authority has decided to initiate an amendment under section 33(3), it may consider the application for a permit concurrently with the preparation of the requested amendment to the planning scheme.

PROPOSAL

It is proposed to create a 7-lot subdivision (lots 1-6 between approximately 570m² and 580m²) and a balance lot of approximately 1.417 ha.

AGENDA – ORDINARY MEETING
24 JUNE 2019**

PLANNING SCHEME PROVISIONS

10 General Residential Zone

10.1 Zone Purpose

10.1.1 Zone Purpose Statements

10.1.1.1 *To provide for residential use or development that accommodates a range of dwelling types at suburban densities, where full infrastructure services are available or can be provided.*

10.1.1.2 *To provide for compatible non-residential uses that primarily serve the local community.*

10.1.1.3 *Non-residential uses are not to be at a level that distorts the primacy of residential uses within the zones, or adversely affect residential amenity through noise, activity outside of business hours traffic generation and movement or other off site impacts.*

10.1.1.4 *To encourage residential development that respects the neighbourhood character and provides a high standard of residential amenity.*

Comment: The proposal is consistent with the zone purpose.

10.1.2 Local Area Objectives

To consolidate growth within the existing urban land use framework of the towns and villages.

To manage development in the General residential zone as part of or context to the Heritage Precincts in the towns and villages.

To ensure developments within street reservations contribute positively to the Heritage Precincts in each settlement.

Comment: The proposal is consistent with the local area objectives.

10.1.3 Desired Future Character Statements

There are no desired future character statements

10.2 Use Table (extract)

No Permit Required	
Use Class	Qualification
Residential	If a single dwelling
Permitted	
Use Class	Qualification
Residential	If a caretakers dwelling or home-based business If for multiple dwellings, except on CT 152543/1

10.3 Use Standards

10.3.1 Amenity

Objective	
<i>To ensure that non-residential uses do not cause an unreasonable loss of amenity to adjoining and nearby residential uses.</i>	
Acceptable Solutions	Performance Criteria
A1 <i>If for permitted or no permit required uses.</i>	P1 <i>The use must not cause or be likely to cause an environmental nuisance through emissions including noise and traffic movement, smoke, odour, dust and illumination.</i>
Complies.	N/a
A2 <i>Commercial vehicles for discretionary uses must only operate between 7.00am and 7.00pm Monday to Friday and 8.00am to 6.00pm Saturday and Sunday.</i>	P2 <i>Commercial vehicle movements for discretionary uses must not unreasonably impact on the amenity of occupants of adjoining and nearby dwellings.</i>

A3 <i>If for permitted or no permit required uses.</i>	P3 <i>External lighting must demonstrate that:</i> a) <i>floodlighting or security lights used on the site will not unreasonably impact on the amenity of adjoining land; and</i> b) <i>all direct light will be contained within the boundaries of the site.</i>
Complies	N/a

10.3.2 Residential Character – Discretionary Uses

N/a – Not a Discretionary use

10.4 Development Standards

Applies to dwellings. N/a to the application for subdivision.

10.4.13 Clauses 10.4.13.1 – 10.4.13.9 only apply to development within the Residential Use Class which is not a dwelling.

Applies to Residential use which is not a dwelling. N/a to the application for subdivision.

10.4.15 Subdivision

10.4.15.1 Lot Area, Building Envelopes and Frontage

<i>Objective</i> <i>To provide lots with areas and dimensions that enable the appropriate siting and construction of a dwelling, private open space, vehicle access and parking, easements and site features.</i>	
Acceptable Solutions	Performance Criteria
A1 <i>Lots must:</i> a) <i>have a minimum area of at least 450m² which:</i> i) <i>is capable of containing a rectangle measuring 10m by 15m; and</i> ii) <i>has new boundaries aligned from buildings that satisfy the relevant acceptable solutions for setbacks;</i> <i>or</i> b) <i>be required for public use by the Crown, an agency, or a corporation all the shares of which are held by Councils or a municipality; or</i> c) <i>be for the provision of utilities; or</i> d) <i>be for the consolidation of a lot with another lot with no additional titles created; or</i> e) <i>be to align existing titles with zone boundaries and no additional lots are created.</i>	P1 <i>Each lot for residential use must provide sufficient useable area and dimensions to allow for:</i> a) <i>a dwelling to be erected in a convenient and hazard-free location; and</i> b) <i>on-site parking and manoeuvrability; and</i> c) <i>adequate private open space.</i>
Complies with A1 a) – lots are at least 570m ² .	N/a
A2 <i>Each lot must have a frontage of at least 3.6m.</i>	P2 <i>Each lot must have appropriate, permanent access by a Right of Carriageway registered over all relevant titles.</i>
Complies – minimum frontage is 12m.	N/a

**NORTHERN MIDLANDS COUNCIL
AGENDA – ORDINARY MEETING
24 JUNE 2019**

10.4.15.2 Provision of Services

<i>Objective</i> To provide lots with appropriate levels of utility services.	
Acceptable Solutions	Performance Criteria
A1 Each lot must be connected to a reticulated: a) water supply; and b) sewerage system.	P1 Each lot created must be: a) in a locality for which reticulated services are not available or capable of being connected; and b) capable of accommodating an on-site wastewater management system.
TasWater has provided a Submission to Planning Authority Notice regarding connection to water supply and the sewerage system.	N/a
A2 Each lot must be connected to a reticulated stormwater system.	P2 Each lot created must be capable of disposal of stormwater to a legal discharge point.
Complies. The lots will connect to the stormwater system in Bulwer Street.	N/a

10.4.15.3 Solar Orientation of Lots

<i>Objective</i> To provide for solar orientation of lots and solar access for future dwellings.	
Acceptable Solutions	Performance Criteria
A1 At least 50% of lots must have a long axis within the range of: a) north 20 degrees west to north 30 degrees east; or b) east 20 degrees north to east 30 degrees south.	P1 Dimensions of lots must provide adequate solar access, having regard to the likely dwelling size and the relationship of each lot to the road.
Complies. Lots 1 – 6 have a long axis within the range of north 20 degrees west to north 30 degrees east	N/a
A2 The long axis of residential lots less than 500m ² , must be within 30 degrees east and 20 degrees west of north.	P2 Lots less than 500 m ² must provide adequate solar access to future dwellings, having regard to the: a) size and shape of the development of the subject site; and b) topography; and c) location of access way(s) and roads.
N/a – all lots are greater than 500m ² .	N/a

10.4.15.4 Interaction, Safety and Security

This clause was not used in this planning scheme

10.4.15.5 Integrated Urban Landscape

<i>Objective</i> To provide attractive and continuous landscaping in roads and public open spaces that contribute to the: a) character and identity of new neighbourhoods and urban places; or b) to existing or preferred neighbourhood character, if any.	
Acceptable Solutions	Performance Criteria

**NORTHERN MIDLANDS COUNCIL
AGENDA – ORDINARY MEETING
24 JUNE 2019**

<p>A1 <i>The subdivision must not create any new road, public open space or other reserves.</i></p>	<p>P1 <i>For subdivision that creates roads, public open space or other reserves, the design must demonstrate that:</i></p> <ul style="list-style-type: none"> <i>a) it has regard to existing, significant features; and</i> <i>b) accessibility and mobility through public spaces and roads are protected or enhanced; and</i> <i>c) connectivity through the urban environment is protected or enhanced; and</i> <i>d) the visual amenity and attractiveness of the urban environment is enhanced; and</i> <i>e) it furthers the local area objectives, if any.</i>
Complies.	N/a

10.4.15.6 Walking and Cycling Network

<p><i>Objective</i></p> <ul style="list-style-type: none"> <i>a) To provide safe, convenient and efficient movement through and between neighbourhoods by pedestrians and cyclists; and</i> <i>b) To design footpaths, shared path and cycle path networks that are safe, comfortable, well constructed and accessible.</i> <i>c) To provide adequate provision to accommodate wheelchairs, prams, scooters and other footpath bound vehicles.</i> 	
Acceptable Solutions	Performance Criteria
<p>A1 <i>The subdivision must not create any new road, footpath or public open space.</i></p>	<p>P1 <i>Subdivision that creates new roads, footpaths, or public open spaces must demonstrate that the walking and cycling network is designed to:</i></p> <ul style="list-style-type: none"> <i>a) link to any existing pedestrian and cycling networks; and</i> <i>b) provide the most practicable direct access for cycling and walking to activity centres, community facilities, public transport stops and public open spaces; and</i> <i>c) provide an interconnected and continuous network of safe, efficient and convenient footpaths, shared paths, cycle paths and cycle lanes based primarily on the network of arterial roads, neighbourhood roads and regional public open spaces; and</i> <i>d) promote surveillance along roads and from abutting dwellings.</i>
Creates footpath.	The proposal complies.

10.4.15.7 Neighbourhood Road Network

<p><i>Objective</i></p> <ul style="list-style-type: none"> <i>a) To provide for convenient, safe and efficient movement through and between neighbourhoods for pedestrians, cyclists, public transport and other motor vehicles using the neighbourhood road network; and</i> <i>b) To design and construct road carriageways and verges so that the road geometry and traffic speeds provide an accessible and safe neighbourhood road system for all users.</i> 	
Acceptable Solutions	Performance Criteria
<p>A1 <i>The subdivision must not create any new road.</i></p>	<p>P1 <i>The neighbourhood road network must:</i></p>
