7.17	Parking – Yellow lines at Campbell Town District High School Yellow line in front of school to be extended further along Glenelg Street to keep parked cars off the intersection with Church Street	Works request submitted
7.18	Anglican Cemetery Members discussed the need to explore a council run cemetery Look at room of the old cemetery as a short-term solution. Report from Church has said that cemetery is full and there are many unmarked graves. Other church land is considered too shallow for burial. Possibly a location for memorial rose garden for ashes. Ross may have available lands for burial.	No further action needed.

8. New Business:

8.1 Kumbjke still problem in the Elizabeth River.

Committee requests Northern Midlands Council to send a letter to the Dept. of Natural Resources and Environment. (NRE)

8.2 Street gutters

Gutters are cleared every 3-4 weeks however there is a need for additional services at this time of year. Works request submitted.

8.3 Footpath cleaning and change of Bin Lid style to small opening.

The footpaths are dirty as a result from overflowing bins dripping onto the footpath. Bins outside Banjos are filthy and overflowing. There may be a need to change to smaller bin openings so that large lots of rubbish is not dumped from travelers emptying their cars.

Works request submitted

8.4 Mural at the underpass

School is required to apply for the arts grant and liaise with Department of State Growth for permission to paint a mural along the underpass.

8.5 Play area at swimming pool

A Committee member was disappointed that this was small and seemed to be for infants only. Requested a proper playground for the bigger kids.

Mover: J Davis Seconded: S Hills Carried

Motion: Play area at the Rec Ground

That the council look to extend the playground at the Campbell Town Recreation Ground and put in a ¼ or ½ court netball/ basketball court and/or other amenities for older children.

8.6 Upgrade of Children's Play equipment at Valentines Park.

Committee member noted that the current play equipment is starting to fall apart and needs an upgrade.

The park is significantly used by residents and tourists alike.

Moved: D Saunders Seconded S Hills Carried

Motion: Valentines Park Play equipment upgrade.

That the council upgrade the children's play equipment at Valentines Park which are very run down, referencing the Transit of Venus space theme.

8.7 Footpaths - South of the Red bridge

There is currently no footpath access south of the Red Bridge and there is a need to continue the footpath going south from the town.

Moved D Saunders Seconded K Reid Carried

That council look to constructing footpaths along the highway from the Red Bridge to New Street.

8.8 Public Shower Facilities

Committee notes that the Blackburn Park toilet is already budgeted for but would like to see if there can be a shower facility added to the toilet block

Moved: K Reid Seconded: S Hills Carried

Motion:

That council consider adding a shower facility to the new toilet block at Blackburn Park or Valentines Park toilet block.

8.9 Elizabeth Park Irrigation: nothing to report at this time.

8.10 General Discussion with Guest

Feedback from Dave (owner of the coffee shop next to the petrol station)

- Business owner since 2011
- Tasmania has changed and there are more business now
- Specifically, between the IGA and Medical shop
- Need for more parking not less
- Better signage for the existing car park areas
- · Need car and caravan spots
- 4 crossings between the antique shop and IGA is not necessary
- One more between the bank and IGA
- Area behind the fire station has parking area make this parking

9. The Chair closed the meeting at 11.08 am.

Next meeting - 3 June at 9:30am in the Campbell Town Hall. 2nd floor.
