7.6 Blue Tree

7/1/26 Cr. Matthew Brooks asked LDC if there were any suggestions or nominations for a replacement Blue Tree.

4/2/26 Christine Darke suggested a permanent rust metal Blue Tree, possibly cut and erected by the local ironmonger in Longford, as an option – to be quite high, although not as high as previous tree, bolted to a concrete slab and with a cut-out going down the trunk of the tree to spell “BLUE” (which would help alleviate wind pressure). For reference, there are examples online – some with letters “RUOK” on a branch, some painted blue. It would be another landmark for Longford, Solar powered lighting could be added to extend its visibility.

29/5/26 NMC Officer Comment: This is the project of Rural Alive and Well. (RAW) Tasmania. Former councillor Andrew Calvert was the key advocate for introducing the Blue Tree to the region to promote mental health awareness and reduce stigma.

3/6/26 Frances Stewart contacted RAW who responded with a redirection to www.bluetreeproject.com.au for information regarding the steps to create and register a blue tree. Some discussion regarding appreciation of Alex Francis’ Blue Tree on the side of the underpass near the previous Blue Tree and whether this could be made permanent. LDC and NMC will collaborate and contact Andrew Calvert for advice, along with investigating whether suitable material may be sourced for a metal tree.

ACTION: LDC can include a “seeking suggestions for a replacement blue tree” post on LDC Facebook page. Budget Request Items 2026/27.

7.7 Public Noticeboard for Longford Community Events

1/4/26 Annette Aldersea raised the need for a public noticeboard for community events, such as ANZAC Day. Councillors noted that Perth have one near Feast and Campbell Town has one

on a corner of Main Street, that these are set up by Council and that while it used to be the local District Committees who managed them, they are now controlled by a Council employee.
29/5/26 NMC Officer Comment: In relation to the Campbell Town Community Notice Board, a member of the District Committee has always held a key.

3/6/26 Maree Bricknell will investigate further.

ACTION: LDC to discuss further next meeting, noting that not everyone is on facebook or the Longford Community page.

8.0 SAFETY & AESTHETIC ISSUES:

8.1 Pullover area/Viewing Platform – Alternative Location.

Ref. Addendum to Minutes.

8.4 Wellington Street and Marlborough Street Speed Limit Reduction.

Ref. Addendum to Minutes

NMC Executive assistant sent letter to the Minister 12th March 2024, and are awaiting a response.

3/12/25 NMC 17/11/25 Exec Assistant – Awaiting Traffic Engineer's Report.

Inspector Fox follow up - Speed Camera and crash data: "As far as the Speed camera goes – it has been placed on Marlborough Street in the past few weeks but I'm not sure if it has been "active" in the early hours, but I can check. I have asked our traffic police and local police to give the area attention but the early morning time slot creates some issues with rostering and our award compliance with shift start times."

12/11/25 NMC Exec Assistant – Awaiting Traffic Engineer's Report for supporting justification or otherwise.

29/5/26 NMC Officer Comment: Lowering the speed limit through Longford to 40 kilometres per hour was not supported by the Department State Growth as 40 kilometres per hour is typically only appropriate where there are high volumes of pedestrians throughout the day which is not the case for this area.

3/6/26 Maree Bricknell undertook to have NMC send another letter to DSG regarding lowering the speed limit to 50kmh and will refer to the Traffic Engineer's report and for advice. Leigh McCullagh said the speed reduction would only be to Hobhouse St along Marlborough St and to the RSL/High St on Wellington St. Brickendon corner was a separate issue.

ACTION: Continue to Monitor.

8.5 Pedestrian Safety Concerns – Wellington and Marlborough Streets.

Ref. Addendum to Minutes

LDC MOTION tabled at Council meeting 22.04.2024 – Minute NO: 24/0128

6/5/26 ACTION: Attend Council Meeting to again request release of written correspondence from Dept, State Growth. Continue to Monitor.

29/5/26 NMC Officer Comment: The proposed crossings were originally included as part of the Longford Main Street Upgrade project; however, they were not approved by Council following public consultation. Department of State Growth (DSG) has advised that the proposal to install crossings is not supported, as current traffic data indicates volumes do not meet the threshold required to warrant such infrastructure.

3/6/26 Maree Bricknell & Leigh McCullagh confirmed there was funding allocated to upgrade the existing pedestrian refuges, including Marlborough Street but new ones would be deferred, including the recognised need for one on Wellington Street near Archer St where children cross from behind the schoolbus.

ACTION: Continue to Monitor.

Ref. Addendum to Minutes.

ACTION: Since the site is for sale and dust is not an issue in Winter, remove from Agenda.

8.10 A-Double & B-Double 24 hour access on Longford Main Roads.

Concerns were raised about the effect of the recent A-Doubles and increase in B-Doubles traversing through Longford and the impact upon heritage buildings and noise levels especially during the night.

8/1/25 MOTION: The Longford District Committee requests Northern Midlands Council write to the Minister for Infrastructure, Kerry Vincent, to ask for clarification on when approval for 24 hour access was given to A-Doubles and B-Doubles to access Illawarra Road and Longford main streets, due to noise and vibration issues causing damage to heritage buildings.

Moved: Frances Stewart. Seconded: Neil Tubb. Carried unanimously.

LDC Motion tabled at NMC meeting 20th January 2025.

COUNCIL DECISION – MINUTE NO. 25/007. That Council Officer investigates and seeks clarification from the Department of State Growth.

Ref. Addendum to Minutes.

- 9/12/25 NMC Exec Assistant – Works Manager to meet with DSG representatives.
- Peter Munro has forwarded footage of trucks to NHVR and Police.
- 6/5/26 Considerable discussion about the negative impact on residents from the noise and speed from noticeably increased numbers of heavy trucks transiting Longford through the night. LDC to monitor for results of traffic report requested from DSG by NMC. A permanent speed camera may be a warranted solution, considering the unviability of a town bypass in the foreseeable future.
- 3/6/26 Maree Bricknell & Leigh McCullagh to follow up traffic counters for speeding truck data, which can then be followed up with Police and NHVR. LDC members indicated that if a 10pm-6am curfew is not possible, a permanent speed camera would help reduce the noise impact of trucks speeding through at night.

ACTION: Continue to Monitor.

8.11 Marlborough Street beautification of Footpath, Nature Strip & Verge Gardens.

Ref. Addendum to Minutes.

1/4/26 Peter Munro and Neil Tubb briefed Council members during their annual bus tour, focusing on the pedestrian access to the Yellow Shop, with regard to lowering the speed limit, installing a Pedestrian Island and requesting a traffic and speed count.

3/6/26 Leigh McCullagh reported that the request was under NMC investigation for the future, but will not be approved in the Budget this year.

ACTION: Budget Request Item 2026/27.

8.12 Hill Street Entry/Exit

Ref. Addendum to Minutes.

4/6/25 Christine Darke raised the idea of having a separate exit onto Wellington Street at Hill Street, adjacent to the BWS, to reduce the increasing congestion of vehicles turning out of the United Service Station which clashes with the vehicles turning in and out of Hill Street Car Park, resulting in a high number of accidents. Discussion was had regarding the necessity of an alternative to the current arrangement, along with the idea of a roundabout at the intersection of Wellington and Union Streets with exiting traffic re-routed behind Hill Street and businesses in Union Street.

Ref. Addendum to Minutes.

1/4/26 MOTION: Given the lack of progress with Dept. State Growth, the Longford District Committee request that Northern Midlands Council arrange for a new Traffic Report to be completed on Wellington and Marlborough Streets, Longford, with particular attention to Hill Street, due to the high number of dangerous incidents.

MOVED: Frances Stewart SECONDED: Bron Baker CARRIED

8.13 Recycle Rewards.

Ref. Addendum to Minutes.

29/5/26 NMC Officer Comment: The initial rollout of Reverse Vending Machine (RVM) sites was determined by the State Government. Longford was not selected due to its proximity to existing sites in Prospect and Kings Meadows. No further rollout of new sites is anticipated in the foreseeable future. Council officer has requested that bins be placed at rekindle, tip shop at the Longford Waste Transfer Station as a “philanthropic” destination for others to donate. Scouts also run their own collections. Recycle bags will be distributed to the Longford Football Club for their collecting.

3/6/26 Leigh McCullagh advised that NMC would like this located at the Waste Transfer Station.

ACTION: Review in 12 months.

8.14 Longford Pong

3/9/25 Discussion regarding Longford Pong and its worsening effect on Longford living standards. Cr. Matthew Brooks noted that a delegation from NMC was due to tour Swifts abattoir.

Annette Aldersea to draft a motion to request NMC follow up with identifying cause and responsibility of the issue.

MOTION: “The Longford District Committee requests that Northern Midland Council write to the EPA, copying all Lyons MPs, The Minister and Shadow Minister for Environment and Member for McIntyre, asking that the EPA launch a formal investigation into the source of the ongoing unacceptable intermittent odour in Longford known as the “Longford Pong” which, despite mitigation works carried out in recent years at the sewerage treatment plant and JBS abattoir, now affects a broader area of Longford and has not improved”.

MOVED: Annette Aldersea SECONDED: Frances Stewart Carried Unanimously.

1/10/25 LDC discussed raising a petition – Annette Aldersea to contact Tabatha Badger, MP for Lyons regarding an EPetiton.

5/11/25 NMC Minute No 25/308: DECISION: That Council acknowledges the community’s

ACTION: Continue to monitor.

4/3/25 Peter Munro has spoken to State Director, Neighbourhood Watch and Inspector Fox regarding setting this up.

1/4/26 Peter Munro has posted on LDC Facebook, shared to Longford Tasmanian Community page. (NOTED: Vivien Tan has spoken to NMC IT to fix non-delivery of emails to District Committees).

29/5/26 NMC Officer Comment: Email services are operational; however, issues have been identified with Chairpersons not receiving forwarded emails, which may be redirected to spam folders. Council IT has established a dedicated email account for District Committees, to be implemented in the 2026–2028 term.

ACTION: Peter Munro to repost on Facebook Page for feedback on level of interest in community. LDC noted that people more likely to respond to a request for feedback via email rather than public post on this issue. Peter Munro to contact Perth Neighbourhood Watch.

8.16 Longford Future Bypass Plan

Ref. Addendum to Minutes

3/6/26 Peter Munro noted that the DSG reported traffic statistics are the same as for Huonville, which had a bypass approved on the basis that it was a tourist town.

ACTION: Review in 12 months. Budget Request Items 26/27

8.17 Truck Load Limit around Village Green.

7/1/26 Annette Aldersea reported that trucks are using Longford Village Green as a turning circle, which is damaging the road surface and is a safety issue.

Annette Aldersea & Ken Richards left meeting 6:50pm

LDC discussed requesting NMC impose a load limit on the surrounding streets. LDC to confer with Leigh McCullagh regarding buses, caravans etc having exemptions, whether an option for portable or permanent toilet facilities at the truck stop would be a cheaper option for NMC than ongoing road repairs around the Village Green.

Annette Aldersea & Ken Richards returned to meeting 6:57pm

4/2/26 LDC discussed that the Village Green and surrounding streets are within the Heritage Precinct and that trucks are damaging the road pavement and are a safety hazard with the volume of children enjoying the Village Green. Peter Munro provided an example of “No Truck” regulatory signs that George Town Council have used to deter trucks from unnecessarily using certain roads, unless permit or destination exempted (see attached).

26/2/26 Frances Stewart submitted a works request to NMC to place such signage on the entry to Lyttleton and Archer Streets, from Wellington Street, to prevent trucks using the Village Green as a turning circle. Email acknowledgment received from NMC.

1/4/26 Annette Aldersea reported NMC have placed traffic counters around the Village Green.

3/6/26 Leigh McCullagh reported that the traffic counter showed mainly Taswater trucks using Lyttleton St access. Annette Aldersea requested further review as tapes were out over Easter long weekend. Ken Richards advised that the larger trucks using the village green to turn around are not able to maneuver around Archer Street corner cleanly when re-entering Wellington Street.

ACTION: Leigh undertook to place the tapes again for a longer, 3 week period. Continue to Monitor.

8.18 Toilets, Shade, Seating & Bins at Illawarra Road Truck Stop

4/2/26 The lack of facilities for truck drivers at the truck stop was raised by Joanne Clarke.

6/5/26 LDC members all have noted the poor standard and conditions of the truck stop, which gives a very poor first impression to people visiting Longford who elect to stop there, along with being an unsatisfactory facility for the truck drivers it is intended to assist.

MOTION: The Longford District Committee requests the Northern Midlands Council to consult with State Growth regarding the unsanitary conditions that now exist on the ‘edges’ of the Heavy Vehicle Driver Rest Area (HVDRA) on Illawarra Road, Longford. This HVDRA has been constructed without toilet facilities and the road verges are obviously being regularly used for this purpose. This situation is a Health and Safety issue for the public and also for contractors involved in verge clearing. The Longford District Committee requests Council work with State Government to have this oversight rectified and have toilet facilities established at the site. Note that other HVDRA sites in Tasmania have been correctly designed with toilet facilities, shade, tables and bins included on site, for example the site being currently developed at Westbury HVDRA.

MOVED: Peter Munro **SECONDED:** Frances Stewart **Carried Unanimously**

3/6/26 Maree Bricknell & Leigh McCullagh advised that NMC have inspected the area and, while there is a high volume of rubbish, there was no evidence of faeces at the truck stop. DSG advised that the area is designated as a “truck parking area” not a “Heavy Vehicle Driver Rest Area” so no toilet facilities are required.

ACTION: Continue to monitor.

8.19 Blenheim Hotel – Outside patrons on Marlborough Street.

4/3/26 LDC Committee members have noticed recently that patrons of the Blenheim Hotel have been using the Marlborough Street footpath on occasion for drinking and smoking, with questions raised regarding whether this is permitted.

1/4/26 LDC discussed whether there could be some separation (fence?) between patrons and pedestrians, such as in Kempton and such as The Metz or Star Bar have in Launceston,

6/5/26 Frances Stewart advised that the Licencee is in the process of applying to NMC for a permit.

ACTION: Continue to monitor.

8.20 Black Spot concerns near Longford Primary School with speeding residents.

The issue of speeding on William Street near the school was raised, with mention of public concerns regarding there being a black spot near the school. LDC discussed how this speeding has been noted on Burley, Catherine and William Streets around the school which poses a risk to children and parents at both ends of the school day. In the absence of a School Crossing Guard, LDC would like NMC to investigate a wombat crossing at a suitable location on each of the three streets around the school as a minimally intrusive traffic dampening measure, and whether a Grant may be available for increasing school children's safety.

3/6/26 Leigh McCullagh advised that NMC have applied to have a Wombat crossing installed and will re-apply for more – also that the Principal has noted that parents are often to blame.

ACTION: Continue to Monitor.

Premier Rockliff conceded the issue with both the financial cost and engineering.
- 29/5/26 NMC Officer Comment: Letter from Hon Tania Rattray MLC – Senator who spoke to Minister Vincent. “Pleased to advise Tania has met with Minister Vincent and his senior advisor in regard to matters raised at the meeting with Mayor Knowles and GM Des Jennings. - 3/6/26 Maree Bricknell & Leigh McCullagh advised that the current renovation includes removing the asbestos flooring and conversion into meeting rooms and offices, with plans for NMC Youth Officer to be located there due to lack of office space at Council Chambers. The House is being renovated with plans to lease it in the short term, with intention to apply for \$4-5M Grant funding once State Budget cuts are no longer a thing.

ACTION: Continue to Monitor progress and discuss means of improving communication on resources available to the community during emergency events.
