March Update #2

CHANGES TO BUS SERVICES

Simpler, faster and more frequent intercity bus services for Tasmania are now here.

Services between Devonport and Launceston/Hobart have increased. There are now 6 services a day on weekdays and 4 a day on Saturday and Sundays.

The new North West Express goes from Burnie to Devonport via Ulverstone and Penguin. It travels hourly, 7 days a week. This means your appointments can be more flexible and you have more travel options. You can travel when you need to because there are 30 services a week in each direction, which is 19 more than before.

RECYCLING FAQs

Did you know that bubble wrap currently cannot be recycled in your kerbside recycling bin? It cannot go into your kerbside recycling bin and must be placed in your waste bin only. However, it can be recycled through REDcycle collections bins. Visit their website to find your nearest location.

Moving soon? Save your bubble wrap for packing and storing fragile items or reuse it for sending gifts to family and friends.

Follow Rethink Waste Tasmania on Facebook or visit our website for more handy recycling tips.
