

Northern Midlands Council 2022/2023 in Review

Council is due to determine the 2023/2024 municipal budget, and in doing so, we also reflect on what has been achieved. Here is a snapshot of some of the projects that were completed.

The rebuild of the public toilets in Talisker Street in Perth (behind the IGA)

Campbell Town War Memorial oval car park was sealed, and kerbing completed.

Morven Park Cricket nets were replaced.

Cressy Memorial Swimming Pool upgrades.

Gatty Street Detention Basin in Western Junction was designed to deal with the run-off from a 1 in 100-year storm event.

Undercover spectator viewing area inclusive of bifold doors for indoor/outdoor interaction.

Contractors were engaged to remove weathered, rotten weather boards and replace with new at Fall Park in Evandale.

Longford Road Safety Park inclusive of traffic signs, crosswalk, and a roundabout.

A new score box was installed at Perth Recreation Centre and the car park was sealed.

Upgrades to this unit in Campbell Town.

Upgrades to the toilet/shower facility at Lake Leake campground.

New toilets at Tooms Lake.

South Esk River walkway bridge and footpath in Perth.

The all-new Perth Early Learning Centre.

Other projects that have commenced include:

- Longford Memorial Hall refurbishment.
- Perth Train Park barbecue shelter and play equipment.

Kickstarting the 2023/2024 financial year, tenders have also been called for:

- Longford Caravan Park Amenities Upgrade
- Perth Main Street - Stormwater Upgrades
- Replacement of bridges on Jones Road, Liffey Road and Blackwood Creek Road.

Council will continue its work in bolstering our local community infrastructure progressing and finalising several key strategic projects during 2023/2024.
